Introduction

There are many ways of exploring Jordan, but our Ultimate Jordan Adventure holiday is surely the definitive adventure experience. This trip is for those who want to trek, cycle, camel-ride, canyon and scramble their way across the incredible desert landscape of Jordan (No experience is needed as full instruction is provided). We start off with visiting the ruined remains of the Roman walled city of Jerash before enjoying the rather surreal experience of bobbing around in the buoyant waters of the Dead Sea. We can escape the heat by dropping into bottom of Wadi Mukheries, a twisting, winding gorge that descends down a set of small waterfalls, hidden caves and fun abseils. We head further south, taking to our bikes and cycling along the Kings Highway; an easy and enjoyable ride before transferring to Wadi Musa. Wandering through the quiet and atmospheric site of Little Petra whets our appetite for the rose-red city of Petra. We follow the Jordan Mountain Trail to enter Petra via the back route, a magical and unforgettable experience as you first glimpse the Monastery. Onwards, we travel to the stunning desert landscape of Wadi Rum. Here we can take a camel ride, scramble on to the iconic Burdah Bridge rock arch and enjoy the very best of Bedouin hospitality whilst camping under the stars.

Is this holiday for you?

You do not need to have any previous experience to take part in the activities on this holiday. The two walks (Petra and Wadi Rum) will be between 3-4 hrs. In Wadi Rum there is some very straightforward scrambling over some of the rocky ground near the Burdah Bridge. The canyoning is a day of fun travelling down a small river, scrambling over rocks, jumping into pools, swimming and some abseiling. You will need to be able to swim proficiently to take part. Our cycle ride is along hard-surfaced quiet roads. Various bike sizes and helmets are available. Jordan has a lovely hot and dry climate and you should take adequate sun protection for this, but it can also get cold at night in the winter months in the desert. The essence of this holiday is to see Jordan whilst being active and having fun!

On the last day of the Land Only itinerary, there will be a single transfer back to Amman Airport.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy. If this is not practical, we can provide private transfers at an additional cost. Taxis are also available.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts, 4 lunches and 1 dinner are included in the holiday price. You will need to pay directly for lunches and/or dinners while staying in hotels in Amman, Madaba and Wasi Musa (Petra). a total of 7 or 8 meals. We recommend you budget around £7 - 10 for each of these meals.

Food & Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

Breakfasts can vary a little with the accommodation, but typically consist of labaneh (thick sour creamy yoghurt), hummus, cheese, beans, eggs, olives, za'atar (thyme, sesame seeds, sumac and salt), tea and coffee. Lunch on some days may be in the form of a picnic (sandwiches, fresh vegetables, fruit and juice and tea) or a simple hot meal such as fresh tomato cooked with garlic, onion and olive oil. Dinner will again vary with the location, but we will aim to sample a variety of traditional Jordanian meals. Salad, rice, chicken, vegetables and yoghurt are usual dinner ingredients. In Wadi Rum, we'll get to try the Bedouin 'zarb', a meal of meat and vegetables cooked under hot sand. Complimentary water, biscuits, cakes and fruits will be offered on most days.

Accommodation

We will spend 2 nights in a comfortable family-run hotel in Madaba, 2 nights in Amman and 2 nights in Petra in a similar standard of hotel. All rooms are en suite.

We will also spend one night at a comfortable fixed camp, sleeping in spacious Bedouin tents with proper beds and shared bathrooms with hot showers. At the Bedouin camp there is also a cosy communal tent and open air seating areas we can gather round an open fire.

Accommodation is twin share. If you are travelling by yourself, you will be paired up with another single client of the same sex. Single hotel rooms and/or single tents are available for a supplementary cost. If you are planning to extend your holiday, additional nights are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.. There will be additional specialist canyoning guides and cycle guides as required.

Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

Spending Money

Approximately £250 should be allowed for miscellaneous expenses and the 7 or 8 meals that you will pay for directly. You should carry your travel money in the form of currency rather than travellers cheques, since you will exchange the majority of this on the day of your arrival at the airport in Amman. Sterling and US Dollars are equally acceptable in Jordan. The unit of currency is the Jordanian Dinar (JD). You should also allow a total of approximately £60 for driver, guide and trek crew tips. On this trip, you will pay directly for your lunches on Days 2, 5 and 8 and for your dinners on Days 1 (if you arrive early enough), 2, 3, 4, 5 and 7. The cost of the Petra visit is included in the trip price. If you are intending to buy expensive souvenirs, you should budget accordingly (credit cards can be useful in this respect). Also, if you expect to buy considerable quantities of drinks or other refreshments, you should allow for this.

Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides, drivers and other crew. They do not form part of their wages. KE pays its local crews the best rates of pay, no matter what country they are in and any tips they receive are seen as a personal thank you from group members. We advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given. You can expect to pay a total of around £60 in tips.

Baggage Allowance

During the trip your baggage will be carried by bus and by 4WD vehicles. The only baggage limit is that which is imposed by the airline. However, Jordan is a hot country and you will not require any heavy clothing, nor are you required to bring a camping mattress. We recommend that the weight of your packed trek bag does not exceed 15 kgs / 33 lbs as this will make transiting airports a much more pleasant experience for you.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

Visa Jordan

If you are a UK, Canada, USA or Australia passport holder, travelling on a KE organised itinerary (inc pre or post tour extensions), you may now be eligible to receive a free visa upon entering Jordan. Please look for a representative with a KE sign between the arrival gate and before the immigration desks and they will accompany you to arrange the free visa and passport stamp. The free visa is reliant on us receiving your passport and flight details prior to travel and to you meeting with the KE representative before heading to immigration to join the single timed transfer. If you have not given us these details or if you do not meet with the representative for the single timed transfer you will have to purchase an individual visa for 40JD. Please ask for further details.

Other nationalities are included in the free visa scheme, please check with your individual embassy.

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

VACCINATIONS

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).
