Introduction

The backdrop to our two week family road-trip adventure is stunning, with endless patchwork views of breath-taking Rocky Mountain peaks, jaw dropping turquoise lakes and endless conifer forests. Our journey from Vancouver to Calgary starts with a bike ride through Stanley Park complete with totem poles and ocean views. We have immense panoramic views of Howe Sound from our walk up The Stawamus Chief (702m) near Squamish. In Whistler we learn about the First Nations people who have lived here for centuries, at the Lil'wat Cultural Centre. During our drive through the Rocky Mountains we can really appreciate the vastness of the land and the enormity of these forests. Hopefully we'll have some wildlife encounters as moose and bear roam free here.

In Wells Gray National Park we experience the beauty and tranquillity of Canadian canoeing on Clearwater Lake. It's then down the famous Icefield Parkway for an exciting stop to walk with crampons on the ice before walking in the Revelstoke area, as well as Lake Louise and Banff. We round off our two week road-trip adventure with a celebratory pizza and bowling night before the transfer to Calgary Airport.

On this epic adventure through the Canadian Rockies we will stay at campsites and rustic mountain huts, nestled in the trees and usually with a fire pit and glimpses of the huge mountains that envelop us here. The air is fresh and we'll sleep well after a day jam packed with great walks and exciting activities. This special trip will create memories that will last a lifetime, a proper Rocky Mountain road-trip.

Is this holiday for you?

This is a jam packed holiday full of activities and adventure. It is designed to ensure that you and your family see the best of British Columbia and Alberta and enjoy some truly awesome Canadian experiences. If you wish to take part in any of the water based activities you must be able to swim.

All activities are suitable for beginners and children. The longest walk is an easy and gentle 4hrs. There are a few long journeys in the vehicle and you and your family should be prepared for this. Camping in

Canada can be great fun, and there is a really sense of being on holiday.

All campsites have BBQ areas and usually a large space for the children to run around in or relax. The settings are also beautiful and it takes us away from the centre of towns.

Joining Arrangements & Transfers

The group will meet at the group hotel in Vancouver.

The Vancouver hotel provides a free hotel shuttle. This gives you the flexibility to arrive at any time during the day.

On the last day of the Land Only itinerary, there will be a single timed transfer from Banff to Calgary Airport (approx. 1hr 30 mins) for flights departing in the late afternoon.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy. If this is not practical, we can provide private transfers at an additional cost.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts, 10 lunches and 8 dinners are included.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

The majority of the meals are provided. Breakfast will be cereals and yoghurt, with coffee, tea, toast and the occasional cooked breakfast.

Everyone will prepare their own lunch in advance each morning, so that it can be eaten on the day's outing. Bread, sausage, cheese, fruit and snacks are provided for this purpose. Beverages are not included. Dinner will include stir fries, BBQ's, pasta dishes, curries etc.

Very often cooking will be on an open fire. Your tour leader will make restaurant recommendations for the meals not included. The camping meals are prepared by the guide and it is good group etiquette to help with preparation and washing up. This can be a fun time of the day.

Accommodation

During the holiday the group will have 2 nights in a hotel with swimming pool located near Vancouver Airport.

We have 7 nights camping in twin-share tents on serviced (with toilets and showers etc) campgrounds, selected for their beautiful locations. Camp sites in Canada are usually surrounded by forest with pitches having a picnic bench and BBQ/firepit. Trees provide privacy. All campsites have showers and toilet facilities. Wood is provided for campfires. We supply '3-person' tents, with 1 tent allocated to 2 people. This gives you lots of room. The tents are 7ft x 7ft / 2mx2m. You will need to arrange yourselves into these tents as appropriate to your children and family members.

The camping experience is participatory, meaning group members should be willing to help the guide out with camp chores such as setting up tents and helping prepare the meals, fetch water, assist with the dishes etc, which is all part of the fun of outdoor life.

We have 2 nights at the Wells Gray Guest Ranch in simple rustic cabins. These have 4 or 5 beds and no electricity or water, so ablutions are in the amenity block. We use our own sleeping bags. The 'ranch' is styled like an old settlers town with simple wooden structures with names such as 'General Store' and 'Saloon'.

And we have 1 night at the wilderness hostel in Rampart Creek. There the group will have private use of two dormitories, each with 6 bunk beds and we will share the dorms together. This is off-grid and we relax by the fire in the forest between the mighty mountains.

In the hotel children under the age of 11yrs share with their parents, relatives or guardians. This could be a triple for a family of 3, a double with an extra bed, or a quad or separate rooms for bigger families. Smaller families, or single parents with 1 child, will be in a twin room. If you are travelling with children over the age of 12yrs, you could be sharing a twin, triple or quad room or staying in separate rooms.

We will do everything to ensure that you are happy with your rooming allocation. If you are planning on extending your holiday additional nights at the group hotel are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. When on the ice you will be expertly led by an ACMG certified guide.

Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

Spending Money

We estimate that a total of around £150 per family member, or equivalent in Canadian Dollars, should be allowed for personal spending and the non-included meals. This amount should also be sufficient to cover any miscellaneous expenses and tips to local staff. If you expect to buy considerable quantities of soft drinks or beer, you should make an allowance for this.

The below are the optional activities that you may wish to budget for as well. There are many ATMs accessible throughout the tour and cards are widely accepted as payment.

OPTIONAL ACTIVITY COSTS:

Please note that these prices are correct at time of writing, but are subject to change without warning. All prices are in Canadian Dollars CAD\$.

Day 4. Free afternoon in Whistler options

- Tree-tops: From CAD\$70 per person
- Bear Watching in 4x4 vehicle: from CAD\$199 per person

Other options such as mountain biking, SUP'ing, canoeing etc are available. You may wish to book an activity online pre-departure to avoid disappointment if full. All activities on this afternoon should be booked independently.

Day 11. White-water rafting afternoon

- Gentle white-water rafting: Adult CAD\$105, Child (8-11yrs) CAD\$83

Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We advise you to tip as a group and we recommend that you set aside around CAD\$0-\$15 per day per guide.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

IMPORTANT INFORMATION FOR THOSE TRANSITING THROUGH THE USA

If your flights pass through the USA, even if only in transit, you will require either a visa or an ESTA (Electronic System for Travel Authorisation). Citizens of the UK, New Zealand, Australia, Canada and passport holders from several EU countries can apply for an ESTA under certain conditions*. This must be done online via <https://esta.cbp.dhs.gov>, no later than 72 hours prior to travel and applies whether entering the country by sea or by air. You will need to have a biometric passport to apply for an ESTA. The fee is currently US\$40 (as of 30/09/25). Travellers who have not registered before their trip are likely be refused boarding.

*If you have visited Iran, Iraq, Libya, North Korea, Somalia, Sudan, Syria and Yemen since 2011 or have dual nationality with any of these countries, you cannot travel with an ESTA. You will need to apply for a visa from the nearest US Embassy or Consulate instead. Additionally, if you have travelled to or have been in Cuba since the 12th of January 2021, you will not be eligible for an ESTA visa waiver and will need to apply for a US visa. You should consult the US State Department website to determine which you will need.

When completing the ESTA application form you will be asked to enter your 'Point of Contact' information. This is not required if you are only transiting through the USA.

The fee is CAD\$7 and you should apply for it at <http://www.cic.gc.ca/english/visit/eta-start.asp>. Other nationalities should consult their local embassy or consular office

Climate

The weather in these Canadian Mountains is ever-changing and always unpredictable. Summer days are long, but the summer season is short. July is the warmest month with a mean daily maximum temperature of 22°C. We can expect to encounter temperatures during the day ranging from 18°C to 27°C. Naturally, at the higher elevations on our trip, the daytime temperatures will be lower than this. At night, the temperatures will typically drop to around 10°C. Although the weather is relatively stable at this time of year, we can expect some rainfall as mountains produce their own weather.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
