# Introduction

Chamonix is now often referred to the 'running capital of the world', and on this fantastic 6-day guided running break we will get to explore many of the trails here - including sections of the UTMB, incredible ridge lines and we'll get off the beaten track surrounded by awe-inspiring vistas. At the end of each day we'll have time to relax and soak up the Alpine environment from our beautiful hotel on the outskirts of Chamonix. This holiday is designed for those who run on a regular basis and want to maximise holiday time on the trails. There are options to shorten your running day by taking a train, bus or cable car, allowing you to choose either an Intermediate level run, or shorter Moderate option.

Views of sparkling glaciers, the history and conquest of Mont Blanc, easy access and vast choice of trails are just a few of the reasons trail runners from all over the world seek to explore Chamonix's 'Classic Trails

## Is this holiday for you?

Designed for those who run on a regular basis and want to maximise holiday time on the trails.

You will be expected to cover from 20km - 25km (12.5-15.6 miles) per day, and we would expect this to take you about 4-5 hours. The routes gradually build on the distance and height gained per day. There are options to shorten your running day by taking a train, bus or cable car, allowing you to choose either an Intermediate level run, or shorter Moderate option.

Our routes will be mostly on good paths and tracks, but may include narrower paths, rocky and steeper uphill and downhill sections.

It is our aim to complete the proposed itinerary outlined above, however, it may be necessary for our guides/instructors to adjust the daily itinerary based on the weather conditions, group safety and enjoyment.

## TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

## Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

## Accommodation

During this trip, the group will spend 5 nights at the Aiguille du Midi hotel near Chamonix.

The 3\* Hotel Aiguille du Midi, is a traditional French mountain hotel perfectly situated at the foot of the famous Glacier des Bossons with stunning views to the mountain. It is within easy reach of the centre of Chamonix with a bus and train stop just a few minutes away. It has a spa area with jacuzzi and sauna, and in summer an outdoor heated pool in the garden grounds with a lovely terrace area to enjoy a drink while watching the mountains.

This holiday is based on two people sharing a bedroom, if you are booking as a single traveller you will share with someone of the same gender. A single room is available for a supplementary fee, but these can be in short supply and require early booking.

## Group Leader & Support Staff

The trail running guide will be a fully qualified and experienced International Mountain Leader.

## Spending Money

The package price includes all accommodation, guiding and all breakfasts and 5 dinners. You should make an allowance for lunches, additional snacks, drinks etc. Beer, wine and soft drinks are available every night.

We estimate that approximately 300 Euros should adequately cover typical personal spending requirements.

## Baggage Allowance

For this holiday you should take one piece of luggage (you should be able to comfortably carry / move this bag yourself) and a running day pack (see equipment list for specific details).

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.
