### Joining Arrangements & Transfers

You should arrange to meet the group Hotel, Chamonix on Day 1. The welcome meeting will be at approximately 19:00 followed by the evening meal, so you should aim to be there for this time.

For clients arriving by air, the easiest way to get to Chamonix is to fly to Geneva Airport and make use of an airport transfer service. We recommend Mountaindropoffs.

<http://www.mountaindropoffs.com/en/home/>

### Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

## **Accommodation**

For this holiday we aim to use the Hotel le Refuge des Aiglons, where we will stay for all seven nights. The hotel has a spacious lounge, fitness studio, cocktail bar and restaurant that has access the pool and terrace. After a day in the mountains hotel guests have free access to the Deep Nature Spa. Free slippers and bath robes are provided.

This holiday is based on two people sharing a bedroom, if you are booking as a single traveller you will share with someone of the same gender. A single room is available for a supplementary fee, but these can be in short supply and require early booking.

## **Group Leader & Support Staff**

The trail running guide will be a fully qualified and experienced International Mountain Leader.

Any extra classes/sessions, such as yoga, will be run by appropriately qualified professionals.

## **Spending Money**

The package price includes all accommodation, guiding and all breakfasts and 7 dinners. You should make an allowance for additional snacks, drinks etc. Beer, wine and soft drinks are available every night.

We estimate that approximately 300 Euros should adequately cover typical personal spending requirements.

## **Meal plan**

All meals are included, apart from lunches, from dinner on Day 1 to breakfast on Day 7.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
