# Introduction

If you are looking for some sun, sea and activities for all the family, then this is the holiday for you. Our main base is at a lovely small hotel with a pool located right next to the sea. From here we head out on several SUP'ing or kayaking adventures. We know swimming is always a big hit with kids in the sunshine, so we have incorporated two short walks which are interspersed with stops at hidden bays for a snorkel and a swim. We are tucked away on the lovely island of Korcula in the little village of Lumbarda, away from the hustle and bustle bigger, tourist towns and islands such as Trogir and Ciovo. In Lumbarda the locals busy themselves with their vineyards and olive groves. The local dry white wine 'Grk' is especially refreshing sipped whilst watching the children play in the pool or on the beach, after a day of SUP'ing, walking or kayaking. There are many flight options between regional airports throughout the UK to Split, so we are confident that your journey time to and from destination will be kept to a minimum. This is an itinerary to delight all, with lots of water borne activities to keep the most active entertained, as well as plenty of down time for independent exploring, and some time for the less active members of the family to relax between activities. After busy days bobbing around in the azure blue bays of the Adriatic, we'll head out for an evening meal in tiny tavernas overlooking the twinkling yacht masts of the harbour. The dream Croatian family itinerary.

## Is this holiday for you?

### Suitable for children from 7 yrs old

This holiday has 2 nights in a sea-side hotel near Split Airport and 5 nights in a hotel with pool on the idyllic island of Korcula. To enjoy the water based activities all participants have to be able to swim unaided for a minimum of 25m, no other experience is required. For all activities full safety equipment (buoyancy aids, etc) will be provided as well as instruction by a fully qualified leader(s). The walking is a maximum of 4-5 hours on each of the walking days. This is spread out over the day interspersed with swimming, lunch and plenty of shady break spots to ensure everyone enjoys the day and the views. This trip is perfect for teens, one's who've just finished their exams or others. Younger children will also thoroughly enjoy this holiday with all the swimming and beaches.

#### TRAVEL TO YOUR DESTINATION

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the group hotel at Seget Donji, just outside Split.

Airport transfers are not included. It is a 10mins journey to our hotel on arrival and departure, and you can pre-book a private transfer through KE from £10pp one-way for a family of four. An uber booked by yourself might be a cheaper method.

Hotel contact details and an emergency number will be provided with your booking confirmation.

## Meal Plan

Included in your holiday price are all breakfasts and 3 dinners.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Croatia has a fantastic variety of food due to the rich influence of the Mediterranean and Central Europe, which means that there is something for everyone's tastes. Breakfasts are continental in style with bread, cheese, meats, jams, tea and coffee etc. Due to its close proximity to Italy there are few towns on the coast without a pizzeria, which are always simple, reasonably priced and excellent - and always a winner with hungry children and teenagers! Whilst on the coast fresh seafood is extremely popular and should be sampled. Croatians enjoy fresh vegetables and side salads with dinner, alongside turkey, pork, chicken or fish. Cevapcici are very thin sausages, or kebabs, made from minced meat and are a popular local dish. There will always be a choice for vegetarians too with Italian risottos, gnocchi and pastas on most menus. Alongside the excellent food, Croatian wine is fantastic and very reasonably priced. Good quality wines are available by the glass and Croatians prefer to buy wine by the glass, half litre or litre. In the area that we stay on Korcula Island there is a specific white wine made from the surrounding vineyards which grow on the sandy ground. This wine is called 'Grk' and should be sampled whilst on holiday.

## Accommodation

For 2 nights, on arrival and departure, we stay in a family friendly hotel, just 10 mins from Split Airport. The hotel is situated near a beach, so the children can just dive in the warm waters when they arrive (depending on arrival times!).

All rooms have twin beds, and a further bed is added for a triple. There are no family rooms or interconnecting rooms. But we will ensure that families have rooms next to each other.

When we are on the island of Korcula, for 5 nights, we stay in the Hotel Lumbarda in the town of the same name. The hotel has a swimming pool and restaurant with great views over the water and a small boat marina opposite. The rooms are en-suite with air conditioning. Here we have double, twin and triple rooms. There are a limited number of family rooms, which have 2 bedrooms (a double bed and 2 twin beds). Some rooms have balcony's.

We will do everything to ensure that you are happy with your rooming allocation.

These are our preferred hotels for this holiday, however they are subject to change at any time. Any alternative hotels will be of a similar standard and spec.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. He/she will have experience working with family groups to ensure that maximum fun is had, and the best spots for swimming and ice cream are found! For the SUP'ing and kayaking an additional instructor may join the group.

## Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

## Spending Money

Approximately £300 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks, non-included meals and miscellaneous expenses. Alcoholic drinks, souvenirs and optional activities are additional so you may wish to budget for these. A simple lunch is around €10-15, and dinner around €25-35. Coffee €2-3, beer €3-4, Ice-cream €2-3. You will be able to withdraw Euros from bank ATMs in many of the places that we visit, or you can change sterling at the airport. Credit cards are useful and it is a good idea to carry one in case of emergency.

Optional activities on the free day:

Mljet excursion with bike hire: €70 per person. Min of 6 people required.

Water-taxi from Lumbarda-Korcula with stops on Badija and Vrnik islands: €15 per person return, or daily hop on/off: €20 per person.

## **Guidance on Tipping**

Tipping is the accepted way of saying 'thank you' for good service. It is important to remember that tipping is voluntary and should be dependent on good service. We estimate around £10 per family member.

## **Baggage Allowance**

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

## **Group Size & Holiday Status**

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.
