# Introduction

The Galapagos is world famous for its incredible wildlife and, on our Galapagos Islands Adventure, we ensure that we are actively immersed in the essence of these diverse islands. We are shore based, in cosy small hotels and guesthouses, allowing us to experience the beaches and wildlife in the early mornings and evenings when the main tourists have disappeared on their boats. We visit four islands during our time on the Galapagos: Baltra, Santa Cruz, Floreana and Isabela.

Our guide will take us to the best places for some snorkelling where we will be mesmerised by the underwater world in the shallows close to the white sandy beaches. We may see schools of colourful fish, playful sea lions, turtles, giant manta rays and much much more. On land the clumsy looking blue-footed boobies walk around at our feet, and the red and black frigate bird, pelicans and albatross fly in the blue skies above.

We visit the breeding centres for the Galapagos giant tortoise on Santa Cruz at the Charles Darwin Research Station and Isabela Islands. Our guide is a fountain of knowledge and we will come home enriched with an understanding of the conservation, species and how life for the people of the Galapagos works. We have speed boat transfers between the islands, a walk to the volcanic crater of Sierra Negra, kayaking between the mangroves looking for marine iguanas, an easy downhill bike ride, snorkelling aplenty and evenings at the beach-side bar or restaurant enjoying this environment and making some truly unique memories.

Why not combine this holiday to the Galapagos with the [Inca Trail and Machu Picchu?](#)

## Is this holiday for you?

Sleeping in simple hotels and guesthouses is perfect for those of us who suffer from sea-sickness. It also gives more space in the rooms (as boat cabins are notoriously small). We try to pack in lots of activities to make the most of our time here. You should be comfortable in the water for the snorkelling. Buoyancy

aids are available for snorkelling if you prefer.

The 2hr kayak session is designed for beginners and is about enjoying the wildlife and the experience. The walks are between 30mins - 2 hrs and just a sturdy trainer or walking shoe is required. The downhill biking is around 1 hour (12km) on a semi-paved road and is not physically demanding. The transfers between islands are done by speedboat (2-3hrs) and can be rough, so anti sea-sickness tablets are advised for these transfers if you are susceptible.

## Meal Plan

9 breakfasts, 5 lunches and 2 dinners are included.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water. We do not encourage the purchasing of single use plastic bottles.

When in the Galapagos you there are many fabulous seafood dishes, or just simply very fresh grilled fish. They are also good at cooking with lentils and beans, and many dishes are served with fried green plantains. A variety of meat dishes are available as well. Additionally in the restaurants in the small towns a variety of standard (tourist) foods will be available - such as pizzas, burgers etc. You will also find plenty of ice cream, fresh fruit juices and cocktails available for your holiday indulgences!

## Accommodation

For the 2 nights in Quito you will stay in a centrally located hotel. We have 3 nights in a small hotel in Puerto Ayora on Santa Cruz island. On the small island of Florena Island we stay for 2 nights at a social enterprise community guesthouse. Cooking the meals is rotated around the community so that everyone feels the benefit of you staying here. Finally we have 2 nights at a simple hotel in Puerto Villamil on Isabela Island.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

## Internal flights

The return domestic flight from Quito Airport to Baltra Island on the Galapagos is included.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. The aim of the group leader is to take the hassle out of your travels and to help you have the best holiday possible. They will provide information on the places you visit, offer suggestions for things to do and see, recommend great local eating venues and introduce you to the local people. They will also have a broad general knowledge of the Galapagos, including historical, cultural, religious and social aspects.

## Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

## Park Fees & Permits

The Ecuadorian government currently levies a Galapagos Islands Park entry fee of \$100 USD per person (increasing to \$200 from 1 Aug 2024). This is payable at the airport upon arrival in the park. It is not included in the cost of the tour, and must be paid in CASH. This fee funds Park maintenance and supervision in Galapagos, as well as ecological study, conservation and infrastructure development in Ecuador's other National Parks. Entry fees and the funds they generate for the National Park System are among measures taken by the Ecuadorian government to protect its natural heritage.

## Spending Money

You will need \$100 in cash (\$200 from 1 Aug 2024) for the Galapagos park fees + \$20 Transit Control Cards fee in cash on departure from Quito Airport to the Galapagos. Additionally to these essentials, approximately £350-400 per person (or equivalent in US dollars) should be allowed for tips, soft drinks, snacks, non-included meals and miscellaneous expenses. Alcoholic drinks, souvenirs, and optional activities are additional so you may wish to budget for these.

You should take your money in USD dollars to change into local currency. There will be the opportunity to change money at the airport and during the holiday. You will also be able to get currency from bank ATMs. Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100 USD. Credit cards are useful and it is a good idea to carry one in case of emergency.

## OPTIONAL ACTIVITY COSTS:

Please note that these prices are correct at time of writing, but are subject to change without warning. All prices are in USD. Optional activities taken outside the KE holiday are at your own risk.

- Surfing Lesson on Isabela Island 2h-2h30m. 45-55 USD per person

## Guidance on Tipping

Tipping is expected, although not compulsory, and is an expression of satisfaction with the persons who have assisted you on your holiday. As a guideline a per traveller tip of USD 100-150 per week for your guide is suggested. Further smaller tips for local boat staff, hotel staff and guides on the excursions such as the kayaking should be accounted for as well.

## Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday.

For the domestic flights to the Galapagos you are allowed a maximum of one piece of luggage per person weighing a maximum of 23 kg, plus one carry-on piece weighing a maximum of 10 kg.

For international flights please check your baggage allowance with your airline.

A good size daypack is also essential. If you don't wish to take all of your luggage with you to Galapagos, please ensure you have an extra bag you can leave behind at hotel storage and pickup on your return.

Please note that Galapagos is a protected National Park so your luggage will be checked before arrival and departure to and from the islands. Don't bring any food, seeds or other organic material that could affect the delicate ecosystem of the islands.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

## Group Members

We sell this holiday in conjunction with our local operator, G Adventures. This enables us to gather sufficient numbers of like-minded travellers to get the holiday up and running. For this holiday the minimum age is 12 yrs (anyone under 18 must be travelling with a parent or guardian. The parent or guardian must be at least 21).

The holiday will be conducted in English. Generally on these trips there will be a mix of nationalities but it is not possible to guarantee this.

Located on the Equator, the Galapagos climate is tempered by the Humboldt Current, so you do not experience extreme heat found elsewhere at this latitude. The warmest weather is December to June, when temperatures range from 22-33°C, and the water temperature is in the mid 20s. From July to November, temperatures are cooler and range from 18-24°C, when average water temperature rarely reach 21°C.

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation.
