Introduction

At the southern tip of India, the sun-kissed and spice-flavoured state of Kerala encapsulates everything that is magical about this colourful tropical region. Our easy-paced cycling holiday will allow us to get beneath Kerala's skin and to experience some of the highlights; the traditional towns, timeless fishing villages, friendly people and stunning mix of landscape, ranging from the jungle and tea plantations on the slopes of the Western Ghats to the endless white-sand beaches of the Arabian Sea coastline.

Starting out from the old Portuguese-founded trading post of Kochi and ending up with a free day in the laid-back resort of Kovalam, we travel by bike in manageable daily stages, with a number of short support vehicle transfers and a fun 3-hour ride through the famous 'backwaters' in a water taxi. Cycling on backroads amongst a maze of palm-fringed waterways and alongside the sea, there's lots of time to stop to admire the scenery, take photos and to interact with the cheerful Kerala people. We spend time in downtown Kochi, enjoy a Kathakali dance show, take a sunset cruise, visit temples and churches, walk on forest trails at Thattekad Bird Sanctuary and stay 4 nights at comfortable and characterful homestays. With all meals included, the rich, varied and delicious cuisine of Kerala is another major highlight. Kerala is one India's special places; a little corner of paradise and this leisurely cycling tour is a great way to make the most of it.

Is this holiday for you?

LEISURE CYCLING. This is a cycling and sightseeing tour on surfaced backroads with some rough sections. Over 9 days of cycling, we average little more than 30 kilometres a day with never more than about 300 metres of accumulated ascent and descent. There is plenty of time off the bikes and the support vehicle is always available. This is a suitable holiday for anyone who includes cycling amongst their leisure activities. **BIKES ARE PROVIDED LOCALLY WITHIN THE COST OF THE HOLIDAY.**

Must-sees here include the Red Fort, built by Emperor Shah Jahan; Hummayan's Tomb, constructed in similar style to the Taj Mahal and the towering Qutab Minar minaret. New Delhi was the creation of the British Raj who wanted to show their ascendancy over the former Mogul rulers with many grand buildings designed by the greatest ever British architect, Sir Edwin Lutyens. Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included from lunch on the day of arrival to breakfast on the final day.

Food & Water

Drinking Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

The food in Kerala is terrific. Rice, vegetables, fruit, seafood and a range of delicious spices are the main staples of Kerala cuisine, sometimes served on a banana leaf. Whilst at hotels, we will have the opportunity to try the local fare, although other options with a more western flavour will usually be available also. On those nights at homestays we will be able to sample Kerala food at its traditional and best. Breakfasts include cereals, bread, possibly in the form of local 'rotis', eggs, hard-boiled or omelette, often one or two delicious, spicy Indian breakfast options, fruit, juice, hot water for tea or coffee. Lunches will usually be at a roadside restaurant where you can choose what you want - the guide will help with this.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

The group will use a mix of hotel and homestay accommodation on 11 nights. All accommodation is allocated on a twin-sharing basis and if you are travelling by yourself, you will be paired up with another single client of the same sex. Depending upon availability it may also be possible to pre-book single room occupancy. All accommodation is en-suite.

Group Leader & Support Staff

The trip will be led by an experienced local English-speaking biking leader. In addition the group will be accompanied by one or more support vehicles and a designated mechanic.

Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

Spending Money

We recommend that £150 - £200 (or the equivalent in US dollars or euros) should be allowed for miscellaneous expenses including approximately £50 to £60 for tips for the tour guide(s), driver and mechanic, as well as for hotel staff. This will also allow you plenty of money for soft drinks and/or beer. If you are intending to buy expensive souvenirs, you should budget accordingly (credit cards can be useful in this respect). We recommend that you carry your travel money in the form of currency rather than travellers cheques, since you will exchange the majority of this on the day of your arrival in India, either at Kochi Airport or in the city. Sterling and US dollars are equally acceptable for exchange. India's unit of currency is the Indian rupee.

Guidance on Tipping

Tipping is an accepted and expected part of Indian culture, although you should only tip for services which are well done. The total amount that you can expect to pay in tips for your local guide(s), driver and mechanic, as well as for hotel staff, is approximately £50 to £60. Your local guide will help to coordinate these payments and he will choose an appropriate time for the group to get together to present them. He might also ask you for a few rupees from time to time to pay tips to a sightseeing guide or a forest reserve employee who is with the group for just a short time. It is also a good idea if the group asks the local guide to look after the day to day tipping of hotel staff. This will do away with the need for you to be finding small numbers of rupees on a daily basis. The group will then reimburse the guide on account of these miscellaneous tips at the end of the trip.

Bike Hire

Bikes are provided locally within the cost of the holiday. These are Merida (Matts 40 and Matts 20) hardtail mountain bikes with Shimano components, Tektro Disc Brakes, 100mm front suspension and 26 inch diameter wheels. They are available in a range of frame sizes - from 13 to 21 inches. The bikes are fitted with flat pedals, but we can fit your own pedals if you normally ride clipped-in. Please provide us with your height when you book, so we can reserve a suitable bike for you.

Vehicle Support

Throughout this trip we have the back up of a support vehicle. Each morning our main baggage will be loaded onto the support vehicle which will follow the group on the day's ride. The local biking leader and the support vehicle driver will watch over the group and will be contactable by mobile phone at all times. This is a leisurely paced cycling holiday and the group will stay together to a great extent. There will be regular stops to regroup and the support vehicle can, at any time, pick up group members who wish to take a break from cycling. The support vehicle will carry water, fruit, chocolate and biscuits for consumption during the cycling.

Baggage Allowance

We recommend that you travel with one main item of luggage, such as a KE Trek Bag or similar holdall, as well as a small day pack or mountain bike-specific hydration pack. The day pack can be used to carry valuable items such as cameras and GPS devices whilst travelling and will also carry your day-ride essentials during the rides.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

As an alternative you can apply for a 1-Year E-Tourist Visa within 180 days of travel. DO NOT MENTION SIKKIM in 'Places to be visited' when you make your application.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. On holidays to more remote areas you should also have a dentist check up. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. In addition you should check whether any specific vaccinations are needed to the regions that you are travelling to. A good online resource is [Travel Health Pro](#).

Malaria

Malarial prophylaxis is not usually required for trips in the mountains, however if you are visiting rural and remote low lying areas then they might be necessary.

Dengue Fever

Dengue fever is a known risk in places visited. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you [take precautions to avoid mosquito bites](#).

Zika Virus

Zika virus has been confirmed as active in this country. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you take the usual precautions to avoid mosquito bites. The mosquitoes that transmit ZIKV are unlikely to be found above 2,000m altitude. For more information, visit the website of the National Travel Network and Centre (NaTHNaC) at <https://travelhealthpro.org.uk>.

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The currency of India is the Indian Rupee.

Preparing for your Holiday

This is intended to be a fairly leisurely holiday and you do not need to be in top physical shape to take part. However, if you are reasonably fit you will enjoy your trip more. We suggest that you adopt a sensible weekly exercise regime and fit in a number of cycle rides ahead of this holiday.

Climate

The most important influence on the annual climate of the south Indian state of Kerala is the monsoon, which brings a great deal of rain during the period from May to mid October. Outside of these months, during the period that we run this holiday, there is relatively little rain and the maximum daytime temperature is likely to be between 25 and 32 degrees centigrade, falling to around 20 degrees centigrade at night.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
