## VIEW DATES, PRICES & BOOK YOUR HOLIDAY HERE

# Introduction

Rajasthan is a vibrant and dazzling state in Northern India. This is a land of opulent palaces, magnificent crumbling forts and proud tribes. There is an incredible diversity of landscape here, including jungle, mountains and desert. We have created a walking holiday that brings all that we love about Rajasthan into one incredible itinerary. We do not just visit the extravagant former royal residencies of the maharaja and their strategic military strongholds; we explore the hills and communities that surround them on a selection of well-planned walks.

We will start with a guided walk of 'Old Delhi', exploring some of the maze-like bazaars and ancient temples and experience an opportunity to help cook in a Sikh temple kitchen! Arriving by sleeper-train into Jodphur, we explore the imposing Meherangarh Fort and spice markets of this blue-hued city. We then enjoy three days of walking through the Kumbhalgarh Wildlife Sanctuary, with time to explore the walls of the magnificent fortress and the serene temples of Ranakpur. The City Palace of Udaipur cannot be missed and we will also walk in the Aravalli Hills through the tribal villages that surround this most romantic of lakeside cities. We then visit the spiritual town of Pushkar, a firm KE favourite, before heading to the Pink City of Jaipur. After visiting the sprawling Amber Fort, we will hike to a nearby tribal village and then enjoy a market visit and a meal with a local family. Our epic voyage through Rajasthan is ended off in style with game drives at Ranthambore Tiger Reserve and an unforgettable visit to the Taj Mahal in Agra.

# Is this holiday for you?

The antithesis of classic coach tours with length drives, this superb walking adventure incorporates many of the jewels of Rajasthan, Delhi and Agra into a two-week holiday and is perfect for anyone wanting to explore the region, in more depth, on foot. The opportunities for cultural immersion and wildlife spotting are immense. There is a fair amount of travelling, as we journey between the royal cities of Rajasthan. However, using private air-conditioned minibuses and a sleeper trains, the effect of this is kept to a minimum. Our game drives in the Ranthambore National Park are in jeeps which are open vehicles fitted with seats and offering a good field of view. This itinerary enjoys more time lingering in each destination, and there are one or two days of extended walks (one of two of around six hours), but these are at a gentle pace on non-serious terrain.

# **Special Diets**

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a <u>Water-To-Go bottle</u>) to treat your water. We do not encourage the purchasing of single use plastic bottles.

Part of the experience of a visit to India is sampling the excellent local food. Indian cuisine offers a wide choice of dishes, much more variety than the 'curries' we are used to in Indian restaurants at home and the nan breads are like nothing you'll have experienced. Whether the food is presented as a dinner buffet or as a set menu, there will always be vegetarian options. In some place, there will also be familiar international dishes. Breakfasts include cereals, bread, possibly in the form of local 'rotis', eggs, hard-boiled or omelette, often one or two delicious, spicy Indian breakfast options, fruit, juice, hot water for tea or coffee. Lunches will usually be at a restaurant where you can choose what you want - the guide will help with this.

## **Accommodation**

This holiday has 13 nights in good standard hotels and 1 night on a sleeper train. Accommodation at these hotels is allocated on a twin-sharing basis. The sleeper train is booked in second class airconditioned berths with up to 4 group members sharing a compartment. On the final evening in Delhi the group will be provided with 'day rooms' at a hotel near the airport with up to 4 group members sharing a room. These day rooms are normally provided only until 21.00 hrs, after which time you can relax in the hotel public areas until the arrival of the departure transfer. If you would like access to a room later than 21.00 hrs you have the extra-cost option of booking an additional night.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Depending upon availability it may be possible to arrange single rooms for the hotel nights. For hotel prices and single supplement costs please refer to the dates and prices page of the trip on our website.

# **Group Leader & Support Staff**

The group will be accompanied by an experienced professional leader throughout and there will also be various wildlife guides during the game viewing, as well as cultural guides when sightseeing in Delhi and Agra.

### Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

# Spending Money

Approximately £250 (or equivalent in euros, US dollars etc.) changed into local currency (Indian rupees), should be allowed for miscellaneous expenses, including tips for your driver and guide, beer and soft drinks, etc. There are several opportunities to buy souvenirs on this trip. Sterling, US dollars and euros are readily exchanged in Delhi. Since you will be changing the majority of your spending money into local currency on the day of arrival, we recommend taking this in cash. Credit cards can be used to purchase goods in the cities and are particularly useful for more expensive souvenirs. It is possible to withdraw cash (rupees only) from cash machines in certain banks in the cities using credit and debit cards.

# **Guidance on Tipping**

Tipping is an accepted and expected part of Indian culture, although you should only tip for services which are well done. Your guide will help with sundry tipping; bell boys, other hotel staff, toilet attendants, lunchtime restaurant staff, Ranthambore staff and railway porters. This means you don't need to concern yourself with who to tip and who not to tip. Your guide may set up a tip 'kitty' for this and you be asked to contribute £40 each (in rupees) for this. You should pay a tip to your driver at the end of the holiday. This should be done by the group as a whole and your tour guide will help you decide on an appropriate amount. You will have the opportunity to tip your tour leader separately during dinner on the final evening of the holiday. As a rough guide and depending on group size, we suggest that you should allow a total of £100 for tips - although the amount you give is entirely up to you.

# **Baggage Allowance**

You should restrict your luggage to one main travel bag plus a small daypack to carry cameras, binoculars, water etc. We recognise that for some of our holidays and for some of our travellers, the KE Trek Bag may not provide the best solution when packing for your trip. A bag with fitted wheels and with more than one compartment and more than one access zip is probably more appropriate for this kind of trip.

# **Group Size & Holiday Status**

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

# **Passport & Visas**

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (see Health & Vaccinations below), and visas for your holiday. Please ensure that you check the <u>FCDO</u> for the latest advice for **each country visited** before travel.

#### Visa India

Most nationalities, including travellers from the UK, the USA and many European countries can apply for their Indian Visa online through the **E-Visa Application** process. You must make your application at least four days prior to departure. Please download the detailed information document for details of how to apply for your visa: <u>Visa India PDF</u>

NB. The application process can be temperamental and we suggest you try a different browser (Firefox is known to work) if your application does not at first go through.

### e-Arrival Card - Important

Separately and additionally, foreign nationals must now complete an e-arrival card to present at immigration on arrival in India along with their e-Visa. This digital form replaces the paper disembarkation card (which will continue to be available on your flight or on arrival until March 2026). The digital e-Arrival form is found here <a href="https://indianvisaonline.gov.in/earrival/">https://indianvisaonline.gov.in/earrival/</a> It should be completed within the 3 days prior to your arrival in India.

#### Sikkim

If you are joining one of our Sikkim Beneath Kangchenjunga (SIK) groups, we will ask you to complete a Sikkim Permit form approximately 20 days before you travel. You will need your Indian Visa details for this form. A 30-day E-Tourist Visa can be applied for within 30 days of travel and will usually be processed within a couple of days. As an alternative you can apply for a 1-Year E-Tourist Visa within 180 days of travel. DO NOT MENTION SIKKIM in 'Places to be visited' when you make your application.

## **Health & Vaccinations**

## **Vaccinations**

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. On holidays to more remote areas you should also have a dentist check up. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheriatetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. In addition you should check whether any specific vaccinations are needed to the regions that you are travelling to. A good online resource is Travel Health Pro.

### Malaria

Malarial prophylaxis is not usually required for trips in the mountains, however if you are visiting rural and remote low lying areas then they might be necessary.

## **Dengue Fever**

Dengue fever is a known risk in places visited. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you <u>take precautions to avoid mosquito bites</u>.

## Zika Virus

Zika virus has been confirmed as active in this country. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you take the usual precautions to avoid mosquito bites. The mosquitoes that transmit ZIKV are unlikely to be found above 2,000m altitude. For more information, visit the website of the National Travel Network and Centre (NaTHNaC) at <a href="https://travelhealthpro.org.uk">https://travelhealthpro.org.uk</a>.

### Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

# Preparing for your Holiday

Although there is no strenuous walking on this holiday, there are several sights which are best explored on foot and it makes a lot of sense to get some additional exercise before coming on any active holiday. Some of the days it will get quite hot and you should be prepared for this. Before departure, we suggest that you do some reading about the country, its people and the wildlife you are likely to see.

## Climate

Outside of the Indian Monsoon (June to September) you should experience little if any rainfall. By mid August the monsoon has lost most of its force although short lived cloud bursts particularly in the afternoon, are reasonably common except in Rajasthan which tends to be very dry at this time. The coolest temperatures are encountered during November and December when the maximum daytime temperatures will generally be in the mid to high twenties of Celsius. From February temperatures start to rise reaching mid thirties during trips in March and April. The arrival of the monsoon cools everything down again and temperatures in August and September can often be the same or even less than April. Evening temperatures from late October to February can be quite chilly (requiring a jacket).

## **Travel Aware**

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '<u>Travel Aware</u>' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at <u>travelaware.campaign.gov.uk</u> and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: <u>www.travel.state.gov</u> for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

# Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## **Travel Insurance**

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our <u>Travel Insurance</u> page for further information and to get a quote.
