# Introduction

Combining the magical city of Marrakech, with time on the beach, walking with camels and discovering the pirate city of Essaouira this is an excellent short introduction to the fun and colourful country of Morocco. Families are always welcomed with open arms by the warm and friendly people everywhere you go. Starting in Marrakech from our hotel with a pool we travel to the Atlantic coast, meet our camels and head out through the sand dunes to begin our coastal journey. We then walk along the beach and dunes to the village of Sidi Kaouki where we have three nights at a guesthouse with far reaching sea views. From here we enjoy walks and visit a Berber family for the sharing of cake and mint tea. The afternoons are free for some beach time, paddling, beachcombing, beach games or an optional surf lesson.

This stretch of the Atlantic coast is wild, dramatic, remote and beautiful. Onto the walled city of Essaouira where old cannons still point out to sea (true pirate style), we find a wealth of shops and souks, and a sandy beach famous for wind and kite surfing. The last night of the holiday is spent in Marrakech where we can walk in the main square - Djemaa el Fna, watching the children delight at the fascinating mix of dancers, music, storytellers and food stalls which are found here. This holiday truly captures the essence of Morocco and allows parents and children alike to have an active and culturally rich time away.

If you are looking a longer holiday, why not consider booking our [Teenage Toubkal Ascent](#) which is available to run back-to-back on certain departures.

## Is this holiday for you?

### Suitable for children from 6yrs old

Morocco is bustling with noise and life, which is great fun when embraced. Our three nights in the village of Sidi Kaouki will be relaxing away from the busy towns of Marrakech & Essaouira. We have walks along the beach and inland which are between 3-5 hours. The pace is not fast, and children and adults alike can take turns on the camels, but note that these are walking days... not camel riding days! It can be hot during the middle of the day, though a cooling breeze from the sea often alleviates this. The guide will speak both English and French, and the group may include both English and French families. For the optional surfing lessons children need to be 6yrs or above, there is no restriction of height or size, but being comfortable and able to swim in the sea will help.

## Sahara Desert Family

For a taste of the Sahara Desert this adventure is hard to beat! After journeying across the Atlas Mountains we arrive in the oasis town of Skoua for a night in a traditional Moroccan Kasbah with pool. Next we head into the sandy dunes near the town of Merzouga and take a stunning desert sunset walk with camels to our nomad tents for the night nestled in the dunes. In the morning we'll watch sunrise over the dunes before making our way back to Marrakech, with a stop in Ouarzazate and the UNESCO Kasbah of Ait Ben Haddou. Staying in traditional riads and kasbahs with pools, and travelling in an air-conditioned 4WD vehicle this is a great way to experience the desert.

### TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

The group will meet at the hotel in Marrakech.

Airport transfers are provided for all clients to the group hotel.

Hotel contact details and an emergency number will be provided with your booking confirmation.

## Meal Plan

All meals, except for 1 lunch and 2 dinners whilst in Marrakech, are included in the holiday price.

## Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water. We do not encourage the purchasing of single use plastic bottles.

Moroccan cuisine is amongst the best in the world and our meals cooked by our Berber hosts or are taken in a range of restaurants and other eateries. Breakfasts are continental style, with tea and coffee, orange juice, cereals including muesli, bread, jam, honey and cheese. A typical Moroccan menu begins with a simple selection of mezze, which might include a bowl of olives or a selection of cooked vegetable salads dressed with olive oil, sprinkled with cumin and served with a dip and flat bread. The tagine or roast meat (or vegetable) dish comes next, served with couscous and often a salad. There will be some meat (usually chicken, lamb or beef). Meat is not prominent in the menu. All dishes come with traditional sauces which are rarely (spicy) hot. A simple plate of prepared fresh fruit or dessert marks the end of the meal, before the mint tea is served. For our picnic lunches we may have a buffet of rice, pasta or cous-cous, with a freshly prepared salad - onion, tomatoes, green peppers, grated carrot, green beans, with tinned sweetcorn or peas added. Hard and soft cheeses, tinned fish, olives, biscuits and bread are also on the lunchtime menu. In the hotels and restaurants in towns it is also usually possible to get more western types of food such as chips and pizzas (to please the children!) Boiled and treated water is provided when staying at the guesthouse and on the walks. You will be able to fill your personal water bottles from this.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

In Marrakech (2 nights) we stay at the Imperial Plaza Hotel which has a swimming pool. In Sidi Kaouki we stay in a guesthouse which is adjacent to the sea. Each family will have their own room. It is simple, but very personable and your hosts will take excellent care of you.

In Essaouira we have one night in a small hotel in the Medina, which is usually the Hotel Souiri or Riad Inna. All hotels are subject to change without notice.

In Marrakech & Essaouira, 3-person families will share a triple room, whilst 4-person families will have adjacent twin-bed rooms. Occasionally there are family rooms available. We will do everything to ensure that you are happy with your rooming allocation.

If you are planning on extending your holiday additional nights at the group hotel are available on request.

## Group Leader & Support Staff

The group will be led by a professional and qualified Moroccan tour leader. This leader will speak English and French. During the walking days you will have the support of camel(s) and their handlers, and a full trek crew team including cook when on our overnight camp.

## Spending Money

Approximately £350 per family of 4 (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks, non-included meals and miscellaneous expenses. Marrakech is a great place for souvenir buying, so you may wish to budget for this.

It is not necessary to purchase Moroccan currency (Dirham) outside the country. You can withdraw money in local currency from ATM's on arrival at the airport in arrivals or in Marrakech itself. Credit cards are useful and it is a good idea to carry one in case of emergency.

## OPTIONAL ACTIVITY COSTS:

Please note that these prices are correct at time of writing, but are subject to change without warning. Optional activities taken outside the KE holiday are at your own risk.

- Windsurfing on Dar Alida Beach: dhs 250 for 2 hours (approx €25)
- Windsurfing at Essaouira (time permitting): €40 per person for 3 1/2hrs

## Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and crew. They do not form part of their wages. KE always pays staff the best rates, no matter what country they are in and any tips they receive are seen as a personal thank you from group members. For our part, we advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given. For your crews we recommend that you give a tip if you feel that their services have met your satisfaction. As a rough guide we suggest you allow a total of £80-100 for a family of 4.

## **Baggage Allowance**

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels or a soft bag such is useful for this holiday. These will be carried by camel. For international flights please check your baggage allowance with your airline.

## **Group Size & Holiday Status**

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents and visas for your holiday.** Please ensure that you check for the latest advice before travel.

### Visa Morocco

UK and USA passport holders do not require a visa for short stays.

For this holiday we require a scanned copy of the main pages of your passport. Please email this to the office when your holiday is guaranteed to run.

## Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

## VACCINATIONS

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).

## Currency

The unit of currency in Morocco is the Moroccan Dirham.

## Climate

During April and October average daytime temperatures in Marrakech will be a comfortable 20-22°C while on the coast the daytime temperatures will be around 18-20°C. In the summer months we can expect average daytime temperatures in Marrakech of 28°C. Evening temperatures at this time are around 22°C. Temperatures on the coast are always cooler than Marrakech and the Atlantic breeze usually means that the 'real feel' temperature here is around 20-22°C. At any time of the year nighttime temperatures on the coast can drop as low as 5°C. At the times of all our departures you are unlikely to experience rain but this can never be ruled out and you must have protection from this as well as from the sun.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
