# Introduction

Discover the footpaths and flavours of Madeira, from the rugged North to the delightfully sunny South, on this relaxed walking holiday; each of our walks will be elegantly embroidered by the fantastically colourful flora, flavoursome cuisine and a warm welcome from Madeira's friendly islanders. During the course of our week we will walk along flower fringed levada and through lush laurel forests, take picnics in quiet coves and follow coastal paths with sweeping Atlantic ocean views; we will also take the easy route to the island's highest point, Pico Ruivo. Our walks are designed to showcase the island's rich variety of landscapes and are sure to delight both seasoned and budding gardeners. Madeira offers beautiful blooms to admire all year around and, whether or not you know your Aloe from your Agapanthus, you are sure to be charmed by the island's colourful and abundant flora.

Along the way we will stay in comfortable hotels, complete with swimming pools and spas, in pretty villages, coastal towns & fishing villages, where we will also have plenty of time to sit back, relax and soak up the year round sunshine. Much more than just a walking holiday, we'll also get to discover the flavours of the island from the countless tropical fruits on display in the bustling Mercado do Lavradores in Funchal, or the slab of delicious honey cake in our picnic lunch, to the sweet and rich Madeira wine and potent sugar cane rum (best saved till post walk!). If you're looking for a relaxed walking holiday, which will help you discover the real essence of Madeira, then this is the perfect choice.

## Is this holiday for you?

This holiday is designed for you to enjoy the best of Madeira with a variety of easy paced walks and active sightseeing. On average we will be walking for around 4hrs per day, on trails that are good underfoot. Madeira is famous for its levada trails and volcanic topography, therefore we will encounter some short exposed sections and a reasonable amount of descent on some of the days. All walks can be considered optional and you'll only need to carry a small day pack. Each day there will be some free time relax and enjoy the hotel's pool and spa facilities or for exploring at your own leisure. This holiday is suitable for anyone looking for an active way to really explore the diversity of the island and to experience its varied footpaths, flora and flavours!

## Joining Arrangements & Transfers

---

### Travelling to your Destination

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the hotel in Funchal.

There will be a single timed transfer from the airport to the group hotel on Day 1 of the Land Only itinerary.

On the last day of the Land Only itinerary there will be a single timed transfer from the hotel to the airport.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy. If this is not practical, we can provide private transfers at an additional cost. Taxis are also available.

Hotel contact details and an emergency number will be provided with your booking confirmation.

### Meal Plan

All meals except 2 dinners are included in the holiday price. For our first night and last night in Funchal, where there are a wide variety of dining options, it makes sense to leave the choice of restaurant/budget up to you. We recommend you budget €20-25 for each of these meals.

### Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Madeiran food is fresh and delicious. Many of the local dishes are prepared from ingredients grown on the island or caught from the sea. Popular dishes include:

Espetada - Grilled beef marinated in garlic, bayleaf and rock salt and cooked on a skewer made from local laurel wood.

Espada com banana e maracuja (black scabbard fish with banana and passionfruit) - This unusual sounding dish features on just about every menu!

Bolo del Mel (honey cake) - This deliciously dark and dense slab of treacle-filled goodness is Madeira's oldest and most moreish dessert and is great with coffee. There is an active coffee culture in Madeira and one of Funchal's small cafes are the perfect place to relax and enjoy your first 'Bica' of the week. A Bica is the Portuguese equivalent of an Espresso, but served in a slightly more generous portion and smoother to the taste.

Madeira wine is world famous and there are vineyards all over the island. However there are also many local wines which are well priced and of reasonable quality - and it will always be plentiful!

Evening meals will be taken either at the hotel or a nearby local restaurant and there will be plenty of opportunity to try all of Madeira's most famous dishes during the holiday.

Breakfasts will be continental with tea, coffee, bread, jams and fruit.

You will be given a packed lunch to carry on each day's walk. This normally consists of a sandwich made with cheese, tomatoes, olives, ham or other meats, or sometimes a pasta salad, plus some fruit. We recommend that you take a small tupperware box (and spork) to carry your lunch.

## Accommodation

There will be 3 nights at a hotel in Funchal, within walking distance of the port, city centre and market, 2 nights in a comfortable hotel with a pool in Santana, 2 nights in a sea front hotel in Porto Moniz, which has an indoor pool and is also adjacent to the natural swimming pools. All hotels are comfortable 3/4 star, with en suite rooms and are well located.

Accommodation is twin share, if you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning to extend your holiday additional nights are available on request.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.

## Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

## Spending Money

We estimate that approximately £100-150 (or equivalent in US dollars or Euros) should be allowed for non-included meals, soft drinks, snacks, and miscellaneous expenses, including tips for your guide. If you buy many drinks in the afternoon/evenings, or take full advantage of the spa facilities of the hotel and enjoy lots of massages, you may need to budget more. You can withdraw money in local currency from ATMs on arrival at the airport and in the main towns, and credit cards can also be used to pay for most goods and services.

## Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We recommend that you decide levels of tipping and give any tips as a group rather than from individual group members.

## Baggage Allowance

For this holiday you should take one piece of main luggage and a daypack. For operational and safety reasons, the normal maximum weight for your main luggage is 23 kg. Please be mindful that this trip is itinerant, with several accommodations where there may be no elevators, and luggage will need to be handled at each stage.

If your luggage exceeds 23 kg, you may be asked to pay a local handling surcharge. We therefore recommend bringing a medium-sized suitcase or a soft travel bag, which is much easier to manage in hotels and during transfers.

For international flights, please also check your airline's baggage allowance.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

## Currency

The currency for part or all of this holiday is the Euro.

## Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

## Climate

Madeira has a mild sub-tropical climate, with the Gulf Stream ensuring pleasant warm temperatures all year round. The hottest months are July and August with average temperatures around 23 °C, in February and November the maximum temperature is around 18-20 °C. There would be no beautiful greenery in Madeira without a little rain, however there are many micro climates across the island, with the southern lowlands being the driest and the mountainous northern parts receiving the most rain. Madeira generally has sunshine all year around, with May through to September being the driest months with very little rain. October through to March can be wetter, but with still just an average of 6 days of rain per month.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

- Walking in Madeira - Cicerone Guide, Paddy Dillon Walk!
- Madeira - Discovery Walking Guides, Shirley & Mike Whitehead

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
