Introduction

As the summer residence for Emperor Franz Joseph and Elizabeth of Bavaria for over 60 years and with salt mining in the area dating back to the Celtic period, the Salzkammergut not only offers beautiful scenery but a deep and rich culture just waiting for you to explore on this one week self-guided walking holiday.

Located less than an hour from Salzburg, the Salzkammergut is the playground for Salzburg's residents including the famous musician Mozart. Known as Austria's Lake District, the region offers wonderful easy walking surrounded by high peaks and beautiful crystal clear lakes. Walk through scenes from the Sound of Music with beautiful green pastures scattered with fragrant wild flowers in the spring and stay in quaint alpine towns ready to provide you a warm alpine welcome. On this holiday you will explore Lake Wolfgangsee and Lake Hallstättersee, stay in the Imperial summer residence of Bad Ischl and discover the fascinating salt mining heritage of the UNESCO town, Hallstatt. We have hand selected fantastic family run alpine 3* hotels for your holiday all known for their warm hospitality and superb locations. And with two nights in each hotel you will have plenty of time to enjoy the pretty towns of Abersee, Bad Ischl and Bad Goisern, plus the flexibility of being on a self-guided walking holiday means you have plenty of opportunity to sample local delicacies such as Goulash in one of the fantastic restaurants.

Is this holiday for you?

This holiday has been specially designed for a relaxed pace around the spectacular Salzkammergut mountains and lakes. This trip is ideal if you love being in the mountains but don't feel the need to hike the highest peak in sight. This self-guided walking holiday is all about gentle low level walks interspersed with visits to cultural sites, sampling fantastic food and enjoying the beautiful clear blue lakes, whether it is on the cruise ferry, hiring a boat or swimming after a day of walking. You will stay in highly rated 3* hotels all chosen especially for their fantastic location and warm alpine welcome. Routes are well marked for easy navigation and on well-established paths covering average distances of 13km with some ascents but no more than 450m.

Your Self-Guided Pack & Route Notes

The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts and ends at your hotel in Abersee or Wolfgang depending on your accommodation. All of our self-guided holidays are sold on a land only basis allowing you the flexibility to choose the travel method which best suits you. The nearest airport for this trip is Salzburg Airport with many departures from regional UK airports.

Transport connections from Salzburg to Abersee are extremely good. If you are flying into Salzburg Airport you can take the public bus to Salzburg main bus terminus from where you can take the bus directly to Abersee or with one change in Strobl for St Wolfgang. The journey takes an hour and half and the buses run hourly so you can sit back and relax as you soak in the colourful alpine scenery.

Another option is to fly into Munich which allows for better regional flight options from the UK. If you are flying into Munich the train journey to Salzburg central station adds approx two and half hours to your journey to Abersee or St Wolfgang. Salzburg bus terminus is located next to the station.

The Austrian Federal Railways (ÖBB) offers a useful app for planning your journey on the public transport network. Visit <https://www.oebb.at/en/fahrplan/fahrplanauskunft/scottymobil> for more information.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Food in Austria is a hearty affair with many stews, schnitzel and delicious desserts on offer to fuel all those walks in the beautiful peaks. When you think of Austrian cuisine it is hard not to think of goulash, strudel and yummy chocolate Sachertorte for which the country is famed but there is a world of history behind these national favourites along with many more.

Austrian cuisine is symbolic of the former crownlands of the monarchy with its multi-cultural history with Hungarians, Bohemians, Slovaks, Poles, Croatians and immigrants from the Dalmatia, Subcarpathia, Bukovina and Carniola all bringing their favourite recipes with them as they came to Vienna. The best of the best have become fully integrated into the Austrian menu. Take the Apfelstrudel for example which originally came from Turkey after being adopted by Hungary. Who would have thought this national dish was actually Turkish?

The best bit of this self-guided holiday is that we have created it on a bed and breakfast basis to allow you the opportunity to discover the many delicious dishes Austrian's have adopted and created. We are sure you won't be disappointed.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

Alpine hospitality is second to none and you are sure for a warm welcome in our carefully selected family run 3* alpine hotels on this trip. All of the hotels on this trip have been chosen for their fantastic locations and character. Some also have spa and pool facilities, making them perfect for unwinding after a day of exploring. The hotels all offer a great breakfast buffet to fuel you for the day ahead and rooms are on a double or twin basis, typically with Austrian style twin beds as is traditional in this area (two beds within one bed frame and separate bedding).

It is possible to arrange additional nights accommodation if you would like to enjoy this magnificent region a little longer. Please speak to one of our sales team for further details.

During high season you may be booked into an alternative accommodation of a similar standard in the area.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your trek. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection each morning. Luggage with wheels may be useful for this holiday. You will also need a daypack to carry your daily essentials with you.

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 3 to 4 hours for consecutive days. We suggest that you try to fit in a number of daily walks in hilly countryside before your trip and its always a good idea to spend some time walking in the footwear you are going to use on this holiday.

Climate

The Salzkammergut area is in the wet-warm-moderate climate zone making for warm summers ideal for exploring the mountains and lakes. The ideal time for a hiking tour is spring, summer and autumn. Although spring and autumn can be a bit more rainy, the spring brings fantastic alpine flowers and the autumn brings beautiful autumnal colours and warm lakes after a summer of warming sun. The summer is the most popular time to visit this area when there is the least rain and the lakes are abundant with people enjoying watersports and cooling off after a day of exploring.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Books

- The Radetzky March by Joseph Roth
- The Sound of Music by Maria Augusta Trapp

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
