# Introduction

The Burgundy region is renowned worldwide for one key product: its wines, reputedly among the best in the world. Here the locals are passionate about all things wine whether they are producing it, selling it, or enjoying a glass with friends round the dining table. On this self-guided cycling holiday you will delve into the rich history of the region as well as its strong wine culture; pedalling with ease on an e-bike through the rolling vineyards to visit picturesque villages and dramatic chateau. Your routes will average 50km per day taking you through the vineyard region from Dijon to Chalon sur Saone with plenty of time to hop off your e-bike and enjoy the sights along the way.

You will stay in a hand-picked selection of historic hotels in Dijon, Beaune and Chalon sur Saone, each chosen for their character and warm hospitality. The food in this region is rich and delicious and we have designed this trip on a bed and breakfast basis with this in mind, allowing you the freedom to dine in the many fantastic restaurants and enjoy specialities from boeuf bourguignon to jambon persille.

## Is this holiday for you?

This holiday is perfect for wine lovers, foodies and leisure cyclists alike. Pedalling effortlessly on your e-bike, you will ride an average of 50km per day on cycle paths, quiet lanes and greenways, and have plenty of time to stop off and enjoy the many sights and vineyards along the way. With the additional boost provided by your e-bikes, you can enjoy a delightful cycling holiday with reduced effort. E-bikes are a great leveller for those with a mix of cycling fitness and speeds. Even better is that on this trip you will spend 2 nights at each hotel in Beaune and Chalon sur Saone with alternate circular and linear routes each day meaning you can easily opt to have a day off your bike to explore on foot or relax at your hotel, making an ideal introduction to cycling holidays. After all this is your holiday!

The minimum age for e-bikes is 12 years, and a minimum height of 150cm is recommended for the smallest e-bike frame available.

The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your phone before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

We will send your documents using signed for courier so that you can track your package and know that they are safely on their way to you. ## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

## Meal Plan

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

French cuisine is ingrained in French culture and is one of the country's greatest contributions to the world. It is filled with passion; a celebration of the rich natural flavours of basic ingredients, to be enjoyed with one of the country's fine wines. Meal times are leisurely, a time to be enjoyed with good company and are an experience to be savoured.

Cuisine in Burgundy is perhaps some of the richest in France thanks largely to the fantastic wines which form the base of many sauces, and the Charolais cattle, one of the world's finest beef cattle which are farmed in the region. With this in mind you are likely to see dishes such as boeuf bourguignon served in almost every restaurant along with other popular dishes such as Snails in white wine and shallots, or jambon persille.

Along your route you will find many appealing cafes for lunch, or you may be swayed by the delicious scents of the local boulangerie to enjoy a picnic of fresh bread and delicious local goat's cheeses- they are superb in this part of France. Needless to say cycling in the Burgundy is not just a journey but a treat for your taste buds!

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

This trip has been designed with tradition in mind. You will stay in a selection of 3\* & 4\* hotels each chosen for their warm hospitality, fantastic locations and clever mix of modern amenities and French style, enhancing the features of the traditional buildings, rich in the history of the area. All hotels offer complimentary wifi.

All of the hotels offer a typically French continental breakfast of delicious fresh breads and pastries served with your morning coffee. Some hotels also offer additional hot items.

It is possible to arrange additional nights accommodation if you would like to extend your time in Dijon or Chalon-sur-Saone. Please speak to one of our sales team for further information.

## Bike Hire

E-bike hire is included in the cost of this holiday. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

Bikes come equipped with a pannier and a handlebar bag for your daily essentials plus lights, a bike lock, pump and repair kit. It would be a good idea to bring a handlebar mount which is compatible with your smartphone.

The minimum age for riding e-bikes in France is 12 years. A minimum height of 150cm is recommended for e-bikes. We will reserve the appropriate size of bike for you based on your height.

We strongly recommend for you to bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We can also arrange children's follow-me tandems, trailers and child seats if you wish to travel with a younger family.

## Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is limited to one piece under 20kg per person, and that your luggage is ready for collection each morning.

## Passport & Visas

### Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents and visas for your holiday.** Please ensure that you check for the latest advice before travel.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

### GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

### Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

## Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. You should be comfortable with cycling 45-55 km a day on easy cycle paths or quiet roads and we advise you to dust off your bike and head out on a few rides before your holiday.

## Climate

Burgundy has an oceanic climate with semi-continental tendencies which not only makes for fantastic conditions for growing the all-important vines in the region but cold winter months, often with snow; and hot summers with temperatures reaching above 25 degrees. The hot summers can also bring the occasional welcomed thunderstorm to help cool off the summer heat.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
