Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

## GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

The trip starts and ends at your hotel in Zurich. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. The nearest airport for this trip is Zurich Airport with many departures from regional UK airports.

If you are flying into Zurich Airport you can take the direct train from Zurich Flughafen to Zurich. The journey takes approx. 15 minutes and operates approx. every 15- 20 minutes.

It is also possible to travel flight-free from the UK to Zurich via the Eurostar to Paris, then taking the train from Paris to Zurich HB which takes between 4-5 hours. With your booking confirmation you will also receive a discount code to the value of CHF 10 when booking your train with Swiss Federal Railways ([www.sbb.ch/en](http://www.sbb.ch/en)).

## Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Swiss food is an amalgamation of French, German and Italian cuisine which is hardly surprising with cantons of each language too; and not to mention that Switzerland is a cheese and chocolate lover's dream destination with some of the world's finest cheese makers and chocolatiers calling it home. But there is much more to Swiss food than cheese and chocolate. Zurich in particular is a hotspot for foodies where traditional Swiss dishes from across the cantons are served alongside creative new trendy dishes earning it several Michelin-starred restaurants and the city and surrounding areas are often a buzz with food festivals.

The great Swiss staple, the cheese fondue, is a custom all visitors must try; it is almost a rite of passage. A mix of melted delicious Swiss Gruyere cheese, wine and herbs it is the meal the Swiss Cheese Union claim 'creates a good mood', well unless you are first to drop your bread in the fondue that is. Tradition states the poor soul who drops their bread first, must foot the bill.

Although cheese fondue is delicious, it is certainly not the only yummy dish on the menu. Other national delights include Rosti, a fried potato dish which is served with anything from eggs to apples; Zurcher Geschnetzeltes, which translates to 'meat cut Zurich style' and made using slices of veal cooked in a mushroom cream sauce. Traditional food is generally rich and hearty but you will find many lighter options too such as soups, and fresh fish from Zurich's surrounding lakes.

## Accommodation

This trip has been designed with comfort in mind. You will stay in a selection of handpicked 3-star and 4-star hotels all of which have been chosen for their hospitality, excellent facilities and close location to your cycle route. All of the hotels have well-appointed rooms with Wifi and offer a buffet breakfast to keep you fuelled on your bike ride. Some of the hotels also have wellness centres and gardens, perfect for relaxing after a busy day exploring.

Your accommodation is on a bed and breakfast basis staying in twin or double rooms, however all of the hotels also have a restaurant where you can enjoy an evening meal should you prefer to stay in after a busy day on your bike.

It is possible to arrange additional nights' accommodation if you wish to extend your time in this beautiful area. Please speak to our Sales Team for further information.

## **Bike Hire**

E-bike hire is included in the cost of this holiday. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

Bikes come equipped with a pannier for your daily essentials plus lights, bike lock, pump, and puncture repair kit.

The minimum age for riding e-bikes in Switzerland is 16 years. A minimum height of 160cm is recommended for e-bikes. We will reserve the appropriate size of bike for you based on your height.

We strongly recommend that you bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts as whilst the cycling is leisurely and there are plenty of opportunities to stop and explore, it is always nice to have some padding for a more comfortable ride.

We can also arrange child trailers if you wish to travel with a younger family.

## **Baggage Allowance**

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is limited to one piece under 20kg per person, and that your luggage is ready for collection each morning.

## Passport & Visas

### Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

**The information that we provide is for UK passport holders.**

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates** (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

### GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

## Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

## Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists who wish to take a easy pace and explore the many sights along the way. You should be comfortable with cycling an average of 35 km a day on easy cycle paths and quiet roads so it is always advisable to dust off your bike and head out on a few rides before your holiday.

## Climate

Zurich has a temperate climate providing four distinct seasons; with cold winters which often bring snowfall and hot summer days with temperatures reaching above 30 degrees. Spring and autumn are usually mild with temperatures around 15 degrees but can also bring some wet weather so it is good to pack a rain coat.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](https://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](https://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
