# Introduction

The Portuguese Coastal Camino is a Camino for those wanting to explore Northern Portugal and Spain's Galicia on two wheels, whilst enjoying the benefits of the coastal location and having the satisfaction of completing a pilgrimage from Porto to Santiago de Compostela in just 7 days of cycling. Starting in the UNESCO city of Porto, this self-guided cycling holiday will take you on a journey through quaint traditional villages to inviting blue-flag beaches, and to the hot springs of Caldas de Reis - all perfectly blended with the history and heritage of the Camino as you follow the route of countless pilgrims before you.

Cycling on quiet back roads, boardwalks, and cycle paths for up to 50km per day, you can look forward to a warm welcome at the end of each ride at our fantastic selection of small hotels and guesthouses. Staying on a bed and breakfast basis, you can enjoy the ultimate flexibility and feast on fresh seafood with a glass of Vinho Verde at one of the many excellent local restaurants.

## Is this holiday for you?

This Camino is perfect for those looking to take on a spiritual challenge, your first self-guided cycling holiday, or those who simply desire to see the quieter side of Portugal. Get away from the busy beaches of the south, and discover Galicia with all its splendid traditions. Guided by the traditional scallop shells and your route notes, you will be cycling an average of 40km a day on easy cycle paths or quiet roads. The route of the Portuguese Coastal Camino is relatively flat, taking you along Portugal's beautiful coast and into Spain's Galicia. Staying in a great selection of comfortable, simple hotels and guesthouses, we will transport your luggage for you so all you need to do is relax into the saddle and enjoy your journey.

## Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

## GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

Your trip starts at your hotel in Porto. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport for this trip is Porto Airport, which is well-served with many departures from UK regional airports.

If you are flying into Porto Airport it is possible to take the metro (Line E - Violet Line) from there to Campanha station in Porto city for approximately €3. The journey takes approximately 30 minutes and the metro runs every 20 minutes. For more information please visit [www.metroporto.pt](http://www.metroporto.pt) where you can also buy tickets online in advance or on the day.

If you have booked a private transfer with us you will make your way to the arrivals hall where you will find your driver holding a sign showing your name.

The trip ends in Santiago de Compostela. It is possible to return to Porto by Flixbus or by train. It takes between around 3 hours and 5-7 hours to reach Porto by Flixbus depending on when you travel ([www.flixbus.co.uk](http://www.flixbus.co.uk)), or around 4-5 hours by train. For more information visit [www.rome2rio.com](http://www.rome2rio.com).

Alternatively, we can offer a private transfer from Santiago de Compostela to Porto Airport that takes approximately 2.5 hours - please ask our Sales Team for details.

Another option is to fly back from Santiago de Compostela Airport - for example it is possible to fly direct to London, or indirect to other UK airports, from Santiago de Compostela.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your trip.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

The Portuguese are passionate about food. It is a reason for celebration, time with family, and socialising with friends - and evening meals are typically enjoyed late into the evening with a glass of wine. One of Portugal's national obsessions is *Bacalhau*, a dried salted cod which features heavily on menus alongside other delicious seafood as, after all, Portugal has almost 1,800km of coastline. It is not all about amazing local seafood though, as Portuguese cuisine is centred on simple, fresh, flavourful cooking and includes many meaty stews such as *Cozido a Portuguesa*, which contains a variety of cooked meats, sausages, and vegetables cooked together slowly in a rich broth and usually served with rice and accompanied by one of the country's fantastic wines.

Crossing the border into Galicia, you can see that this is a region of Spain where people are passionate about their food too. Galicia's cuisine is less about paella and more about delicious Pulpo a la Gallega, a traditional dish of the region that comprises succulent boiled octopus on top of a bed of thinly sliced potatoes, topped with olive oil and paprika. Let's not forget the tasty treat of Santiago, the Tarta de Santiago (literally 'Cake of Saint James'), made from ground almonds and decorated with powdered sugar stencilled with the Cross of Saint James. Yummy!

## Accommodation

On this trip you will stay in a great selection of comfortable, simple 2-star or 3-star hotels and guesthouses, each offering its own charm, warm hospitality, and close proximity to your route. Some hotels even have pools.

All our accommodations are booked on a twin or double room basis and have free WiFi. Many accommodations have restaurants and some offer a set 'pilgrim menu' - a tradition along the Camino - offering a hearty 3-course meal for approximately 15 Euros per person, payable locally. Please ask your hosts for more information.

Please note that during busy periods we may need to use alternative accommodation and this is not always in the town listed in the itinerary. For Pontevedra in particular this is more likely to happen around the time of the World Triathlon Championship events held there each year. For 2026 the triathlon is due to take place 23rd - 27th September, so accommodation in the area is likely to be in very high demand during and around those dates.

It is possible to arrange additional nights' accommodation if you would like to extend your time in Porto or Santiago. Please speak to our Sales Team for more information.

## Bike Hire

Bikes on this trip are 16-speed Trek mountain bikes with 29" wheels and all come equipped with 2 panniers for your daily essentials, plus a bike lock, pump, repair kit, spare inner tube, chain links, and chain lube. We include a helmet with your bike on this trip but we strongly recommend you bring your own helmet for the best comfort.

We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, as whilst there are plenty of opportunities to stop and explore, it is always nice to have some padding for a more comfortable ride.

## Upgrade to an E-bike

If you are looking for a bit of an extra boost whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely.

Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

E-bikes are available on this holiday at an additional supplement of £195 - just request this upgrade option from our Sales Team at the time of booking.

## Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your ride. We ask that you please ensure your main luggage is limited to one piece under 20kg per person and that your luggage is ready for collection each morning. Any additional pieces will incur an additional cost. You will also need a daypack to carry your daily essentials with you whilst you are out cycling.

## Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling an average of 50 km a day on a mix of terrains from rural paths (asphalt, cobbled and dirt), forest trails and roads. We advise you to dust off your bike and head out on a few rides before your holiday to help make your pilgrimage more enjoyable. We also offer e-bike upgrades for those seeking to make the journey more leisurely.

## Climate

The climate in this part of Portugal and Galicia is mild, with wet winter months and warm pleasant summers for cycling with the added bonus of a lovely cooling breeze coming in off the Atlantic. The hottest months are July and August, when temperatures can reach around 25 - 30 degrees centigrade.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
