We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

## GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

The trip starts at your hotel in Passau. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. The nearest airport for this trip is Vienna Airport with many departures from regional UK airports.

If you are flying into Vienna Airport you can take the train direct to Passau from the airport. The trains run every hour and the travel time is approx. 3 hours.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Food in Austria is a hearty affair with many stews, schnitzel and delicious desserts on offer to fuel you along your ride. When you think of Austrian cuisine it is hard not to think of goulash, strudel and yummy chocolate Sachertorte for which the country is famed and there is a world of history behind these national favourites along with many more.

Austrian cuisine is symbolic of the former crownlands of the monarchy with its multi-cultural history with Hungarians, Bohemians, Slovaks, Poles, Croatians and immigrants from the Dalmatia, Subcarpathia, Bukovina and Carniola all bringing their favourite recipes with them as they came to Vienna. The best of the best have become fully integrated into the Austrian menu. Take the Apfelstrudel for example which originally came from Turkey after being adopted by Hungary. Who would have thought this national dish was actually Turkish.

Part of the joy of being on this self-guided cycling holiday is we have designed it on a bed and breakfast basis allowing you to dine out wherever you fancy and stop off to sample the many cafes to discover the many delicious dishes Austrians have adopted and created. We are sure you won't be disappointed.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

On this trip you will stay in carefully selected 4\* hotels each picked for their warm hospitality, excellent facilities and convenient locations. All of the hotels have Wifi and offer a fantastic continental breakfast. Accommodation is on a bed and breakfast basis in a double or twin room, typically with Austrian style twin beds as is traditional in this area (two beds within one bed frame and separate bedding).

## Bike Hire

Standard hybrid bike hire is included in the cost of the holiday, for departures up to the end of the 2025 season.

Standard hybrid bikes come in two different frame types - unisex bike frame or male bike frame. Bikes with unisex step-through frames are 21/24-speed and are available for riders who are between approximately 148cm and 190cm tall; bikes with male bike frames with a crossbar are 21-speed and are available for riders who are between approximately 165 and 205cm tall. If you would prefer a specific bike frame, e.g. a male bike frame, please request this when making your reservation with our Sales Team.

You also have the option of upgrading to "Bike Plus" hire on this trip for a supplement of £65.

Upgraded bikes are lighter than standard hybrid bikes and have a crossbar for improved stiffness and stability, offering a sportier ride. Utilising higher-grade bike components such as hydraulic brakes and Shimano 20/27-speed gears, you can enjoy more precise handling and smoother gear changes. High-quality front suspension forks and a more athletic saddle offer increased comfort over a variety of surfaces and distances.

Upgraded bikes are suitable for rider heights between approximately 155cm and 205cm.

For departures in 2026, upgraded bike hire will be included in the cost of the holiday.

All bikes come equipped with a pannier and handlebar bag for your daily essentials, plus a milometer, bike lock, pump, repair kit, and spare inner tube. Hire bikes do not come fitted with bottle cages as these impede with securing the bikes during transportation.

We strongly recommend that you bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts as whilst the cycling is leisurely and there are plenty of opportunities to stop and explore, it is always nice to have some padding for a more comfortable ride.

We are also able to arrange tandem bikes, children's bikes, trailers, and child seats. Please ask our Sales Team for details.

## Upgrade to an E-bike

If you are looking for an extra boost whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills and travel further with less effort and more comfort.

E-bikes have four different modes and an 8-speed internal gear hub with back-pedalling brake, along with handlebar brakes and front suspension. E-bikes are suitable for rider heights between approximately 148cm and 190cm.

E-bikes are available on this holiday at an additional supplement of £250. Please request this upgrade option from our Sales Team at the time of booking.

## **Baggage Allowance**

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection each morning.

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

## Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

## Currency

The currency for part or all of this holiday is the Euro.

## Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling 40-60 km a day on easy cycle paths and it is advisable to dust off your bike and head out on a few rides before your holiday.

## Climate

This part of Austria has a continental climate. Average temperatures vary through the summer season, from daytime highs of around 20 degrees Centigrade in May to 25 degrees in August and 15 degrees in early October. You can expect some occasional showers at any time of the year so it is always worth remembering to pack your waterproof just in case.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Books

EuroVelo 6. Donauradweg. A cycle path map at 100,000 scale.

The Danube from Passau to Linz and Wachau.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
