On this one week self-guided cycling holiday in Germany you will ride around 295km of the 1,230km-long EuroVelo 15 Rhine Cycle Route, from Strasbourg in France to Mainz in Germany. Along the way you will discover nature reserves as well as picturesque towns and cities with their cathedrals, Baroque castles, fortresses and historic monuments, offering a glimpse into the influences on this region over the course of history. Not only that, your journey will take you through the regions of Alsace, Baden and the Palatinate, all known for their wonderful wines which you will of course have plenty of opportunity to enjoy.

Cycling at your own pace with bike hire and luggage transfers included, staying in perfectly located 3* and 4* hotels on a bed and breakfast basis, you have the flexibility to explore the sights as you desire on your self-guided cycling holiday. The cycle paths are well-established and predominantly flat, and riding an average daily distance of around 50km a day this trip is perfect as a first long distance cycling holiday or one to undertake with your family. You can travel on this holiday flight-free from the UK, making use of the excellent rail network in Western Europe. We can also assist with extending your time in stunning Strasbourg or magnificent Mainz if you wish, just speak to our sales team for more information.

Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts in Strasbourg in France and ends at Mainz in Germany. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you.

The nearest airport for this trip is Strasbourg, however Frankfurt offers more options from UK regional airports. From Frankfurt Airport you can take the train to Strasbourg (approx. 3 hours) or you can travel by bus, with FlixBus, to Strasbourg (approx. 3-4 hours). From Mainz it is a short journey by train, bus or taxi to Frankfurt Airport.

It is also possible to travel flight-free from the UK to France, making use of the Eurostar. From Paris you can take a direct train to Strasbourg. From Mainz you can take the train to Paris or via Frankfurt to Brussels to join the Eurostar.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

This region of France and Germany has a wonderful blend of French and Germanic culinary influences and traditions, you will have no shortage of delicious and not to mention hearty food to enjoy over your holiday. There are many dining options from excellent restaurants to cosy traditional eateries where you can sample the local specialities of the region.

In the Alsace, popular dishes include choucroute (braised pork or fish on a bed of sauerkraut), baeckeoffe (a warming dish made from potatoes, vegetables and meat, slow cooked with Alsace wine and herbs), and tarte flambée which is like a thin pizza that is enjoyed at any time of day. You will also find lovely ingredients available for your picnic lunch, including braided pretzels, deli meats, cheeses and pastries (try the kougelhopf - a sweet Alsatian pudding cake).

In neighbouring Germany, you can expect filling soups and stews along with the familiar bratwurst, meatballs, dumplings and sauerkraut commonly featured. For a sweet treat, try the Spekulatius - thin, crispy spiced cookies which can also be found in buttery or almond coated varieties.

The region produces some of the most noted dry Rieslings in the world as well as highly aromatic Gewürztraminer wines. The wines produced here are mostly white, some reds are also available as are sparkling wines.

Accommodation

We have selected a range of comfortable 3* and 4* hotels for this holiday, all conveniently located for you to explore the sights of each town. Offering warm welcomes and hearty breakfasts, these are perfect for your week's journey of discovery along the Rhine.

All hotels provide a good breakfast buffet offering a range of hot and cold options, including a selection of meats, cheese, bread, eggs, pastries, cereals, fruit and so on, plenty to fuel you up for your day's ride. Rooms are on a double or twin basis, typically with Austrian style twin beds (two beds within one bed frame and separate bedding).

It is possible to arrange additional nights accommodation if you would like to extend your time in Strasbourg or Mainz. Please speak to our sales team for further information.

Bike Hire

Upgraded bike hire is included in the cost of this holiday.

Upgraded bikes are lighter than standard hybrid bikes and have a crossbar for improved stiffness and stability, offering a sportier ride. Utilising higher-grade bike components such as brakes and Shimano 20/27-speed gears, you can enjoy more precise handling and smoother gear changes. High quality front suspension forks and a more athletic saddle offer increased comfort over a variety of surfaces and distances.

Upgraded bikes are available in the following frame sizes: 46 / 50 / 51 / 55 / 60 / 63 cm. These bikes are suitable for rider heights between approximately 155cm and 205cm.

All bikes come equipped with a pannier and handlebar bag for your daily essentials, plus a milometer, bike lock, pump, repair kit, and spare inner tube. Hire bikes do not come fitted with bottle cages as these impede with securing the bikes during transportation.

We strongly recommend that you bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts; whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We are also able to arrange tandem bikes, children's bikes, trailers, and child seats on request. Please ask our Sales Team for details.

Unisex hybrid bikes with step-through frame are available if this is your preference. These bikes are available in 43 / 46 / 51 / 56 cm frames and are suitable for rider heights between approximately 148cm and 190cm. Unisex hybrid bikes have 21/24-speed gears and a front suspension fork. Just request this type of bike with our sales team if required.

Upgrade to an E-bike

If you are looking for an extra boost whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely. Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills and travel further with less effort and more comfort.

E-bikes have four different modes and 8-speed internal gear hub with back-peddalling brake, along with handlebar brakes and front suspension. E-bikes are suitable for rider heights between approximately 148cm and 190cm.

E-bikes are available on this holiday at an additional supplement of £105. Please request this upgrade option from our Sales Team at the time of booking.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection each morning.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling 40-60 km a day on easy cycle paths and we advise to dust off your bike and head out on a few rides before your holiday.

Climate

Rhineland-Palatinate is part of the West-European Atlantic climate, characterised by mild winters and moderate summers and is therefore part of the warmest climate zones north of the Alps. Expect daytime highs to reach around 26 degrees C in the summer months, and around 15-20 degrees C in the spring and autumn. Showers can occur at any time of the year so it is always worth packing your waterproofs just in case.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
