# Introduction

Provence is a wonder for the senses; the instantly recognisable scents of lavender and thyme fill the air; the landscape is simply Van Gogh's art brought to life and the food and wine will leave you wanting more. It is these characteristics which create the magical atmosphere of Provencal life. Starting your holiday in Avignon you will discover the history of life along the Rhone before stepping into the Alpilles landscapes, which inspired some of Van Gogh's greatest work, to walk to Les Baux de Provence, officially recognised as one of the most beautiful villages in France. You have a free day mid-week to immerse yourself into the gorgeous villages of Arles and Isle sur la Sorgue. Throughout the week, your walks take you to pretty villages and dreamy and scented landscapes of thyme and lavender fields, vineyards and orchards.

You will stay in charming guesthouses and hotels on a bed and breakfast basis allowing you the opportunity to dine in the many fantastic restaurants the region offers. You will also step off the beaten track to experience the rustic charm of Auberge des Seguins nestled beneath the Aiguebrun Gorge. This technology-free haven is the perfect place to unwind with its rural location, swimming pool and communal dining on home cooked Provencal specialties. This is a slice of authentic Provencal life from which to explore on foot.

## Is this holiday for you?

If you are looking to experience the culture of Provence, dine on fantastic local produce and explore the romantic French landscape on foot then this is the holiday for you. Staying in a selection of small 2\* and 3\* hotels and guesthouses you will experience true Provence, full of charm. You should be comfortable walking an average of 4-5 hours a day with ascents of up to 450m. In return your routes will take you through vineyards, olive groves and fragrant lavender fields; to photogenic medieval villages and bustling markets; and into the stunning mountains of the Alpilles and Luberon. June is the best time to visit if you wish to see the lavender in full bloom.

## Your Self-Guided Pack & Route Notes

The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

This trip starts at your hotel in Avignon. All of our self-guided holidays are sold on a land only basis allowing you the flexibility to choose the travel method which best suits you. The nearest airport for this trip is Avignon Airport; however Marseille Airport and Lyon Airport offer many more departures from regional UK airports.

If you are flying into Marseille Airport you can take the direct train to Avignon Centre. The journey takes approx. 1-2 hours. If you are flying into Lyon Airport you can take the train to Avignon Centre. The journey can be undertaken on a direct high speed train or with one change and takes approx. 2-4 hours. For more information visit [www.sncf.com](http://www.sncf.com)

Alternatively, we can offer a private transfer from Marseille Airport to your accommodation. Please ask our sales team for a quotation.

Your trip ends in the town of Apt. From here you can take a bus to Cavaillon or Avignon, from where you can take train to Marseille Airport; or you can utilise buses to reach Marseille Airport via a change at Aix-en-Provence. To return Lyon Airport, take the bus to Avignon, from where you can continue to Lyon Airport by rail. Private transfers are also available.

## Meal Plan

This trip offers 6 nights bed and breakfast, and 1 night half board at the Auberge des Seguins.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

If you were to describe Provençal food in just two words it would be simple and seasonal. Food in this part of France is all about home cooking, making use of the fresh produce which is available in that season and making something truly tasty. Early spring brings asparagus, broad beans, melon and deep red strawberries to menus with dishes such as nicoise salad. Late spring and summer sees the sweet cherries, figs and other amazing fruits, perfect for enjoying with the local cheeses and a glass of wine. The autumn months fill menus with deliciously warming game stews before the truffles come into season once more in the new year. Ratatouille is also a firm favourite, made with aubergines, courgettes, onions, peppers and tomatoes and reduced to a tasty compliment with most evening meals. Needless to say there are plenty of delicious dishes for you to sample during your holiday, and while it may not be the fine dining of Paris it is certainly tasty.

## Accommodation

We have handpicked a great selection of family run guesthouses and 2\* and 3\* hotels for this trip, each has been chosen for their warm hospitality and local flair. You will also spend a night at the charming Auberge des Seguins, a unique 17th century goat farm which has been lovingly restored into a guesthouse by the Pessemesse family with the addition of a relaxing swimming pool. The guesthouse is set in the remote Aiguebrun Gorge and offers a real slice of Provençal life with communal meals and a technology detox allowing you to relax into the local way of life.

All accommodations offer a typically French breakfast of fresh bread, croissants, jams and cheeses served with a cup of hot coffee. Aubergue des Seguins also offers a tasty evening meal, and can provide a picnic (payable locally) for your walks.

It is possible to arrange additional nights accommodation if you would like to enjoy this magnificent region a little longer. Please speak to one of our sales team for more information.

## Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your walks, except on day 5 when you will take your luggage with you on the train. We ask that you please ensure your luggage is under 20kg and that your luggage is ready for collection each morning. You will also need a daypack to carry your daily essentials with you. Luggage with wheels is useful for this holiday.

## Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 4 to 5 hours for consecutive days.

## Climate

Provence welcomes hot sunny summer months and mild winters similar to the rest of the Mediterranean areas with temperatures averaging 30 degrees in the months of July and August along with little rainfall. Due to the lack of rain in the summer months Provence footpaths are closed throughout July to mid-September.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
