We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts at Olbia Airport. All of our self-guided holidays are sold on a land only basis allowing you the flexibility to choose the travel method which best suits you. For this trip we have included a return transfer for you from Olbia Airport which offers many departures from regional UK airports.

It is also possible to fly into Cagliari Airport. We can arrange your transfer from this airport to Santa Maria Navarrese and return from Cala Ganone for an additional charge. Please contact our sales team for a quote.

Please ensure you inform our customer sales and support team as early as possible of your flight times so that we can arrange your transfers for you.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

Sardinian food is a medley of colour and bursting with Mediterranean flavours. Proud of their heritage and history, the food of the island is also hearty, robust and includes a strong Italian influence. Breakfast is typically simple and continental in style - bread, pastries or cakes, yoghurt, jam and honey served with tea or coffee.

Pulses, lentils, beans, chickpeas and fresh vegetables plus rich tomato sauces, all feature strongly in traditional cuisine. The island has an excellent variety of wines which can be enjoyed by the glass or bottle. From rich reds and refreshing whites to the famous dessert wine of Liquoroso Dolce. Sardinians also love their after dinner digestifs. Chilled Limoncino and the excellent range of fiery grappas are all worth a try!

Accommodation

On this trip you will spend your first evening in a lovely family run 3* hotel in Santa Maria Navarrese where you can be sure of a warm welcome to Sardinia. You will then move on to spend 3 nights in a tranquil mountain retreat high on the Galgo plateau. Here rooms are simple which is all part of its charm. Surrounded by gardens away from any towns and villages this is a little retreat for you to unwind at the end of the day. Your trip ends with 3 evenings, on the coast in another lovely family run hotel, in the seaside town of Cala Gonone. The hotel has an enviable location by the marina and has a fantastic rooftop restaurant and terrace along with a hottub area overlooking the beach below; the perfect place for toasting to a great holiday as the sun sets.

All accommodation is based on twin or double rooms on a bed and breakfast basis. Breakfasts are typically continental with breads, pastries, cheese, meats and often eggs along with cereals and a good helping of morning coffee. Occasionally during peak season we are unable to offer the hotels described and will arrange an alternative hotel of the same standard for you.

It is possible to book additional nights accommodation before or after the holiday itinerary so that you can enjoy this beautiful island a little longer. Please ask our sales team for more information.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your walk. We ask that you please ensure that each item of your luggage is under 20KG and that your luggage is ready for collection in the morning on the day of each hotel change. You will also need a daypack to carry your daily essentials with you whilst you are walking.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 5 to 6 hours for consecutive days on rugged paths. Some of the routes are along the coastal clifftops requiring head for heights to enjoy the fantastic views.

Climate

The island of Sardinia has a typical Mediterranean climate with hot, dry summers and coolish winters. The best time to visit is from March to June and from September to October, when temperatures are the most pleasant. At these times of year, daytime temperatures will vary between 20 and 30 degrees centigrade, falling to between 10 and 20 degrees centigrade at night.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
