Introduction

The islands of the Cyclades are the epitome of quintessential Greek island paradise: think of iridescent lapis lazuli seas, white-washed buildings with classic blue shutters reflecting the colours of the Greek flag, and stunning beaches galore. Immerse yourself into Greek history and mythology on your daily walks and get a real taste of traditional life in the countryside. Combine this with the friendly welcome you'll be sure to receive, and wonderful fresh Mediterranean cuisine, you won't want to leave.

On this one week self-guided walking holiday you will spend 3 nights in Santorini, discovering its volcanic landscapes and the remnants of one of the largest eruptions in history. Your walks on Santorini take you to the quiet interior via ancient Thira and along the cliffs of the old caldera from Fira to Oia, with the opportunity to visit the Archaeological Museum to learn of the fascinating history and heritage of the island. You then take the ferry on to Naxos for 4 nights, to explore the fertile slopes which produce abundant Greek staples including olives, figs and grapes. Your walking week will culminate with a climb to the summit of Mount Zas (1,003m), the highest point of the Cyclades, for a glorious panorama of Naxos and the surrounding islands.

Your holiday is arranged in comfortable, perfectly located 2* and 3* hotels on a B&B basis, allowing you to sample the delicious cuisine at local tavernas and restaurants of your choice.

WHY NOT TREAT YOURSELF TO A HOTEL UPGRADE?

On this trip we are pleased to offer you the opportunity to upgrade your accommodation to 3* and 4* hotels. Perfect if you are looking to treat yourself for a special occasion, or simply prefer to travel with a little more luxury.

Is this holiday for you?

This holiday is perfect for you if you love to explore on foot at your own pace. Your daily excursions will take you on hilly to mountainous terrain, walking around 4-5 hours each day, with some days offering the option to extend your day's walk. The biggest climb of the week is to achieve the summit of Mount Zas (1,003m). Paths are well kept, generally on a mix of unsurfaced tracks, cobbled paths, and some short sections on tarmac roads. Due to the nature of the landscape some trails are positioned on steep ground with some exposure. With two comfortable hotel bases over the week (and the option to upgrade your hotels), you'll have the opportunity to explore the locality at your leisure and relax after your day's walk, or even opt out of a day's walking if you prefer to take it easy.

We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

At the end of the holiday, the ferry from Naxos arrives to Santorini in the afternoon. You will be transferred from the port to Santorini Airport, please book your flight to depart after 19:00 on the final day of your holiday.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Greek food has a vast culinary influence throughout Europe and beyond thanks to its ancient traditions making for an excellent mix of tasty Mediterranean dishes alongside a fantastic range of fresh vegetables and salads. Greek food tends to be influenced by the seasons and geography with local menus on the islands including plentiful fresh seafood, fava, olives, aubergines, fresh cheeses, filled filo pastries, lamb and poultry, plus don't forget the excellent breads to dip in taramasalata and tzatziki. All accompanied by a glass of locally produced wine of course.

For those with a sweet tooth you can look forward to the delights of buttery Baklava, a filo pastry tart layered with nuts and butter soaked in syrup after baking, or the delicious Amygdalota almond cookies - perfect with a cup of coffee.

Accommodation

During this trip we spend 3 nights on Santorini and 4 nights on Naxos on a bed and breakfast basis, allowing you the flexibility to enjoy the many fantastic restaurants around. Each of the small, family-run 2* and 3* hotels we use has been chosen for its location and standard of service. All the hotels offer comfortable en-suite bedrooms and great communal areas including restaurant/bar and outdoor areas to enjoy these sun-kissed isles, in Akrotiri the hotel has a pool.

It is possible to arrange additional nights accommodation if you would like to extend your stay on Santorini. Please speak to one of our sales team for further details.

During high season you may be booked into an alternative accommodation of a similar standard in the area.

WHY NOT TREAT YOURSELF TO A HOTEL UPGRADE?

On this trip we are pleased to offer you the opportunity to upgrade your accommodation to 3* and 4* hotels. Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 4 to 5 hours for consecutive days on varied terrain. Some of the routes are along rugged and high paths where surefootedness and a head for heights is required to enjoy the views.

Climate

The Cyclades region experiences a Mediterranean climate, with hot, sunny summers with daytime temperatures averaging 27 C, and mild, moderately rainy winters. With this in mind the optimum time to undertake this walking holiday is during the spring and autumn seasons (September to mid-October) where temperatures are more comfortable than the very hot summer months.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
