Introduction

The intriguing UNESCO biosphere reserve of Lanzarote is a destination you cannot help but fall in love with. Known as the 'Island of Eternal Spring' it has much to offer, with 300 volcanic cones delivering other-worldly landscapes and the fertile soils that give life to the lush green 'Valley of a Thousand Palms', manicured vineyards, and farmlands. On this one-week self-guided holiday you will discover the island's many landscapes on foot, including reaching the island's highest point, Penas del Chache, for unforgettable views. We have also ensured that you will have plenty of time to enjoy the island's many beaches and secluded coves, whether you prefer to take a dip in the turquoise waters or relax in the sun with a good book.

You will stay on a bed and breakfast basis in a 3-star apartment located in a quiet part of Costa Teguise, in a complex offering a fantastic balance of facilities along with the freedom of having your own space. You will also get to take the ferry for a day-trip to the neighbouring island of La Graciosa, the most recent addition to the Canary Islands. A visit to this tiny island is an experience not to be missed - with unpaved roads, fantastic scenery, around just 700 residents, and virtually empty beaches, this is a fascinating place to walk. We provide you with a selection of wonderful hiking routes that are all easily accessible by car to give you the ultimate flexibility, so your explorations don't have to stop at the itinerary provided.

Is this holiday for you?

We have specially designed this holiday with flexibility in mind, allowing you the opportunity to make the most of your holiday time and all that this fascinating island has to offer. By designing this as a hike and drive itinerary, hiring a car will mean that you can have even more freedom - pre-booking your hire car is highly recommended. Your walks will take you along the coast, onto the tops of calderas, and through lush valleys with an average walking time of 3-5 hours per day. Orientation is generally easy, however not all routes are marked so we recommend having some basic map reading skills to help you along your way.

Car Hire

This holiday has been designed to give you the ultimate flexibility and independence with arranging your own hire car.

There are numerous car hire agencies on Lanzarote, with offices available at Lanzarote Airport. Arranging your car independently, you can choose the type of vehicle you prefer, the number of drivers required, and the level of excess protection desired. Car hire brokers such as [Zest Car Rental](#) are a good resource for comparing rental deals. We highly recommend that you pre-book your hire car so that it is ready to collect on arrival.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts and ends at Lanzarote Airport. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport for this trip is Lanzarote Airport, with many departures from UK regional UK airports. There are numerous car rental agencies available at Lanzarote Airport - pre-booking your hire car is highly recommended.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Cuisine in the Canaries is centred on fresh local produce and recipes handed down through the generations, resulting in a mix of delicious flavours that blend their Spanish roots with African and South American influences. Meat and fish are served with the staple of tasty Papas Arrugadas (small locally grown potatoes boiled in extremely salty water, giving their skins a somewhat wrinkly appearance) - and a traditional Mojo sauce. Meat is served with Mojo Rojo - red - made with chillies, oil, garlic, vinegar, and salt; fish is served with Mojo Verde - green - where coriander replaces the chilli. Every restaurant claims to have its own secret Mojo recipe! As you would expect on an island, seafood features heavily in the Canarian diet. You might enjoy Puntillas de Calamar (fried baby squid), Pescado a la Plancha (fish of the day grilled simply, that is incredibly tasty), or exquisite fresh Lapas (limpets, often served in the pan they have been cooked in, with butter and garlic sauce and freshly chopped coriander). In addition and perhaps surprisingly, the island has some fantastic mild slightly salty goat cheeses, some of which have won international awards, plus a selection of lovely local wines.

Tap water from the mains is safe to drink, however it tastes quite different to what many people may be used to because it is produced from desalinated sea water. You might prefer to take a reusable bottle with a filter such as [Water-to-Go](#), which can also be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

We have specially designed this trip on a bed and breakfast basis to give you the opportunity to enjoy the many welcoming cafes and restaurants in Costa Tegui, or to simply relax and enjoy an evening meal at your 3-star apartment. The apartments are situated at the quiet end of Costa Tegui and each has an open-plan kitchen/living room, en-suite bathroom, and private balcony - perfect for relaxing with a good book. The apartments are part of a complex that includes a restaurant, bar, and swimming pool, so you have plenty of ways to chill out after a day of walking and adventures.

PLEASE NOTE: The accommodation we use as standard for this trip is for adults only. For any family bookings, we use alternative accommodation of the same standard. The family accommodation is located closer to the central coastal area of Costa Tegui, in an apartment complex that has a variety of play areas and activities specifically aimed at children, as well as plenty to keep the adults happy after a day out and about. Equally, the family will be happy for the whole day if the youngsters want some time out from exploring.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 4 to 5 hours for consecutive days.

Climate

The Canary Islands are perfect for holidays all year round, thanks to what are often described as 'eternal spring conditions' where temperatures range between 16 degrees centigrade in the winter to 25 degrees centigrade in the summer. It tends never to be too hot or too cold, which makes it perfect to explore on foot or by bike.

Lanzarote has its own micro-climate with the north being slightly windier and cloudier, the south being drier and warmer with approximately 2,500 hours of annual sunshine, and the centre having a moderate and stable climate. It is this wonderful balanced, gentle climate that has helped make Lanzarote such a popular holiday destination, as much for those seeking sun, sea, and sand, as for those wanting to walk, cycle, and sightsee. On top of this, thanks to the vast amount of sunshine, the island is home to over 600 plant species, many of which are endemic and have a significant botanical value.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
