# Introduction

This outstanding series of day walks in the Drakensberg and on the Wild Coast in South Africa is a true gem. Having sought out these splendid walks we have combined them with comfortable accommodation to ensure that this walking holiday ticks all the boxes for a delightful time away. Our first stop is the Golden Gate National Park where we have a sunset walk on Brandwag Rock and take the Echo Falls Trail. Moving on to the stunning and rightfully famous, Drakensberg Mountains, we walk in the Tugela Gorge, see the Amphitheatre, and the region surrounding Cathedral Peak with its carved sandstone buttresses. The landscapes are rugged, with natural pools and glowing rocks as the sun lights them up. Our holiday ends on the Wild Coast where we have 3 nights in a lodge and enjoy some day walks in this lesser known part of the country. The well named, Wild Coast has untouched white sandy beaches, cliffs and crashing waves - making the coastal path a stunner! Our journey ends in Durban after a fabulous walking holiday in this part of South Africa.

## Is this holiday for you?

The essence of this trip is to enjoy the walks and wild landscapes of the Drakensberg Hills and Wild Coast, as well as the culture and food in this corner of South Africa. The trails that we follow are undulating and rocky in places with some hill climbing in the mountains. They are well-marked but rocky and stepped in places. Our accommodation has been handpicked to ensure comfort in small, well-appointed hotels and guesthouses. South Africa has a lovely Mediterranean climate and because of the time zone jet lag is not usually a problem flying to and from the UK.

### Joining Arrangements & Transfers

---

Travelling to your Destination

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at Johannesburg Airport.

A single timed transfer (5hrs) from the airport to the Drakensberg is included. You need to arrive into Johannesburg Airport at the latest time of 1130.

On the last day of the Land Only itinerary, we have a single timed transfer to Durban Airport for flights leaving in the early evening. Check out from the hotel is 10am, but you will be able to keep your luggage at the hotel and enjoy the beach and town before your flight.

Anyone may join the group transfers by prior arrangement. Private arrival transfers are expensive due to the distances. A money saving tip might be to arrive the day before. Additional nights at an airport hotel are available. On the return, Durban Airport is not far from the hotel, so private transfers are available on request for different flight times.

Hotel contact details and an emergency number will be provided with your booking confirmation.

## Meal Plan

All meals are included except for 5 lunches (including the lunch on day 1) and 1 dinner. The lunches can either be purchased in a picnic style from the accommodation or in a local cafe/restaurant. The dinner not included will be taken in a local restaurant.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

## Accommodation

During this holiday you will spend 9 nights in comfortable, small hotels and lodges full of African character. Rooms at the lodges can consist of individual separate buildings. They can be called rondavels (round house usually thatched), guest cottages and longdavels (rectangular house usually thatched), or sometimes chalets or bungalows. Many of these rooms will have a kitchenette. All accommodation is en suite.

If you are travelling by yourself, you will be paired up with another single client of the same sex. A limited number of single rooms are available for a supplementary cost.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. Additionally there is a driver for the vehicle. When at the coast you will also have a local leader for the walks.

## Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

## Spending Money

Approximately £250 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks, non-included meals and miscellaneous expenses. Alcoholic drinks, souvenirs and optional activities are additional so you may wish to budget for these.

You can choose to take your money in pounds sterling, dollars or euros. There will be the opportunity to change money into local currency on arrival at the airport and your local leader will advise the best places to change money en-route. Additionally, you will be able to get currency from bank ATMs in the towns that we will visit. Credit cards are useful and it is a good idea to carry one in case of emergency.

## Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We recommend that you decide levels of tipping and give any tips as a group rather than from individual group members.

## Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Please keep the weight of your main luggage to 20kg or less. You should bring a soft bag, as these are more suitable to pack in the vehicle. For international flights please check your baggage allowance with your airline.

## South Africa Indemnity Form

As a member of the South African Tourism Service Association, our ground agent in South Africa may require you to complete an indemnity form at the start of your holiday, which you will need your insurance details for. As a client of KE Adventure Travel, your rights under the Package Travel and Linked Travel Arrangement Regulations (2018) are unaffected and KE Adventure Travel will remain liable for the actions of our suppliers.

# General Information

---

## Passport & Visas

### Visa South Africa

UK and USA passport holders do not require a visa for short stays. You must have 2 blank pages in your passport.

Rules on **travelling with children under 18 years** have been relaxed. Visa exempt children entering South Africa only need passports, and not birth certificates as previously required. This applies if the child is travelling with both parents, one parent or an adult who is not a biological parent, and school groups. There are some different requirements for unaccompanied children, and children who do not have UK passports or visa exempt passports. For full details please see the FCDO website.

## Health & Vaccinations

### Vaccinations:

You should be up to date with the routine vaccinations recommended in the UK for overseas travel.

You must also contact your doctor or travel clinic to check if there are specific vaccinations or other preventive measures that you need for the area you are visiting, in good time before you are due to depart.

On holidays to more remote areas you should also have a dental check-up.

**It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates.**

Please check the [FCDO](#) and [Travel Health Pro](#). For all of your intended destinations for up-to-date advice.

### Severe Allergies:

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips.

## Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

## Climate

South Africa has a generally sunny and pleasant climate, with regional differences due to the weather systems from the surrounding oceans and altitude above sea level. This area experiences most of its rainfall in the southern hemisphere summer, from October to March. From May through to August is drier, with long spells of mild, stable weather. However, cold fronts moving in from the south-west can bring rain and even snow-fall to the Drakensberg Mountains. Daytime temperatures range from around 10 - 20°C from April to September, to 20 - 30°C from October to March.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
